## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 0%  | 0%  | \$7,664.00   |
| 2022          | 0%  | 0%  | 0%  | \$7,985.50   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – LAB CLASSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit. Additionally, GIA's Lab Class Refund Policy complies with California Education Code §94921, and utilizes an alternative method of calculating tuition refunds.

Students will receive a full refund of all monies paid if the class is canceled by GIA. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

### **Lab Classes 5 Days in Length**

If enrollment is cancelled:

- Before the end of the first day of instruction, GIA does not retain any charges.
- After the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

### **Lab Classes 1-3 Days in Length**

If enrollment is cancelled:

- Before 12:00 p.m. of the first day of instruction, GIA does not retain any charges.
- After 12:00 p.m. of the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

### **Sample Lab Class Refund Calculation**

A student paid the total price of \$1050 (\$1,000 tuition plus \$50 for books) for a class with 35 hours and withdrew after 14 hours; 40% of the class has been taught. GIA retains \$470, calculated as follows:

Total Price = \$1050 Per Hour Charge = \$30 (Total Tuition ÷ Total Number of Hours);

Tuition Used = \$420 (\$30 x 14 hours);

Refund = \$580 (Total Price - Books - Tuition Used)

## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 0%  | 0%  | \$8,233.00   |
| 2022          | 0%  | 0%  | 0%  | \$7,985.90   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – LAB CLASSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit. Additionally, GIA's Lab Class Refund Policy complies with California Education Code §94921, and utilizes an alternative method of calculating tuition refunds.

Students will receive a full refund of all monies paid if the class is canceled by GIA. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

### **Lab Classes 5 Days in Length**

If enrollment is cancelled:

- Before the end of the first day of instruction, GIA does not retain any charges.
- After the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

### **Lab Classes 1-3 Days in Length**

If enrollment is cancelled:

- Before 12:00 p.m. of the first day of instruction, GIA does not retain any charges.
- After 12:00 p.m. of the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

### **Sample Lab Class Refund Calculation**

A student paid the total price of \$1,050 (\$1,000 tuition plus \$50 for books) for a class with 35 hours and withdrew after 14 hours; 40% of the class has been taught. GIA retains \$470, calculated as follows:

Total Price = \$1,050 Per Hour Charge = \$30 (Total Tuition ÷ Total Number of Hours);

Tuition Used = \$420 (\$30 x 14 hours);

Refund = \$580 (Total Price - Books - Tuition Used)

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – LAB CLASSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit. Additionally, GIA's Lab Class Refund Policy complies with California Education Code §94921, and utilizes an alternative method of calculating tuition refunds.

Students will receive a full refund of all monies paid if the class is canceled by GIA. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

### **Lab Classes 5 Days in Length**

If enrollment is cancelled:

- Before the end of the first day of instruction, GIA does not retain any charges.
- After the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

### **Lab Classes 1-3 Days in Length**

If enrollment is cancelled:

- Before 12:00 p.m. of the first day of instruction, GIA does not retain any charges.
- After 12:00 p.m. of the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

### **Sample Lab Class Refund Calculation**

A student paid the total price of \$1050 (\$1,000 tuition plus \$50 for books) for a class with 35 hours and withdrew after 14 hours; 40% of the class has been taught. GIA retains \$470, calculated as follows:

Total Price = \$1050 Per Hour Charge = \$30 (Total Tuition ÷ Total Number of Hours);

Tuition Used = \$420 (\$30 x 14 hours);

Refund = \$580 (Total Price - Books - Tuition Used)

## **STUDENT'S RIGHT TO CANCEL – LAB CLASSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit. Additionally, GIA's Lab Class Refund Policy complies with California Education Code §94921, and utilizes an alternative method of calculating tuition refunds.

Students will receive a full refund of all monies paid if the class is canceled by GIA. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

### **Lab Classes 5 Days in Length**

If enrollment is cancelled:

- Before the end of the first day of instruction, GIA does not retain any charges.
- After the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

### **Lab Classes 1-3 Days in Length**

If enrollment is cancelled:

- Before 12:00 p.m. of the first day of instruction, GIA does not retain any charges.
- After 12:00 p.m. of the first day of instruction and up through 60% of the class has been taught, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

### **Sample Lab Class Refund Calculation**

A student paid the total price of \$1050 (\$1,000 tuition plus \$50 for books) for a class with 35 hours and withdrew after 14 hours; 40% of the class has been taught. GIA retains \$470, calculated as follows:

Total Price = \$1050 Per Hour Charge = \$30 (Total Tuition ÷ Total Number of Hours);

Tuition Used = \$420 (\$30 x 14 hours);

Refund = \$580 (Total Price - Books - Tuition Used)

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

## **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

F 760 603 4003  
[www.gia.edu](http://www.gia.edu)

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

[www.gia.edu](http://www.gia.edu)

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

[www.gia.edu](http://www.gia.edu)

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school’s students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

The Robert Mouawad Campus  
5345 Armada Drive, Carlsbad, CA 92008

F 760 603 4003  
[www.gia.edu](http://www.gia.edu)

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 23%   | 0%  | \$8,233.00   |
| 2022          | 0%  | 25%   | 28%   | \$7,985.90   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

[www.gia.edu](http://www.gia.edu)

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.

- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

www.gia.edu

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

All charges associated with the purchase of optional books and materials are nonrefundable. Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition.

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 0%  | 0%  | \$8,233.00   |
| 2022          | 0%  | 0%  | 0%  | \$7,985.90   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

www.gia.edu

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

All charges associated with the purchase of optional books and materials are nonrefundable. Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition.

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

www.gia.edu

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

All charges associated with the purchase of optional books and materials are nonrefundable. Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition.

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

All charges associated with the purchase of optional books and materials are nonrefundable. Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition.

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 0%  | 0%  | \$7,664.00   |
| 2022          | 0%  | 0%  | 0%  | \$7,985.90   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL – ONLINE COURSES**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the course from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's refund policies comply with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

Students will receive a full refund of all monies paid if the class is canceled by GIA. Online students who are residents of California will be assessed the California Student Tuition Recovery Fund (STRF) fee. The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds section on page 48 of the Education Catalog.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be

www.gia.edu

eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

GIA's online courses and lab classes offered through the online division are not eligible for federal financial aid. Students who obtain a loan to pay for an educational program have the responsibility to repay the full borrowed amount of the loan, plus interest, less the amount of any refund returned to the lender. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before submitting the first course assignment, whichever is later, GIA does not retain any charges.
- After submitting the first course assignment and before submitting more than 60% of the required course assignments, GIA retains a pro-rata portion of the tuition.
- After submitting more than 60% of the required course assignments or after exceeding the course completion time limit, GIA retains 100% of tuition.

All charges associated with the purchase of optional books and materials are nonrefundable. Students who choose to purchase gemological equipment through GIA Instruments may return them for a full refund within 15 days of receipt provided they are in the original package, complete, and in new and unused condition.

**Sample Online Refund Calculation**

A student paid the total price of \$500 for a course with a total of ten (10) required assignments, submitted four (4) assignments for grading, and withdrew prior to the end date of the course. GIA retains \$200, calculated as follows:

Total Price = \$500 Per Assignment Charge = \$50 (Total Price ÷ Total Number of Required Assignments)

Number of Assignments Submitted for Grading = Four (4); Tuition Used = \$200 (\$50 x 4 assignments)

Refund = \$300 (Total Price – Tuition Used)

## Federal Student Loan Debt

| Calendar Year | Most recent three-year cohort default rate, as reported by the United State Department of Education. <sup>1</sup> | The percentage of enrolled students in receiving federal student loans to pay for this program. | The percentage of graduates who took out federal student loans to pay for this program. | The average amount of federal student loan debt of graduates who took out federal student loans at this institution. |
|---------------|---|---|---|--|
| 2021          | 2.8%  | 75%   | 75%   | \$7,664.00   |
| 2022          | 0%  | 0%  | 0%  | \$7,985.90   |

<sup>1</sup>The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (about 9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent final CDR reported by the U.S. Department of Education.

## DEFINITIONS

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

## **STUDENT'S RIGHT TO CANCEL – ON CAMPUS PROGRAMS**

Students have the right to cancel their enrollment at any time before the end date specified in their enrollment agreement by notifying the manager of admissions in writing using the appropriate form on their My GIA Student Portal, by email to [admissions@gia.edu](mailto:admissions@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students who wish to withdraw after the class start date should notify the office of the dean of students in writing using the appropriate form on their My GIA Student Portal, by email to [deanstudents@gia.edu](mailto:deanstudents@gia.edu) or by mail to The Robert Mouawad Campus, Mailstop #3, 5345 Armada Drive, Carlsbad, California 92008.

Students will be withdrawn from class if they fail to return from a leave of absence, do not maintain satisfactory academic progress or are otherwise dismissed due to lack of attendance or violation of GIA policy. In all cases where a student's enrollment is terminated (cancellation or withdrawal), refunds are calculated based on the Refund Policy below.

Students who withdraw and wish to continue their studies at a later date will be required to re-enroll into the program from the beginning at current tuition and fees.

### **REFUND POLICY**

GIA's On Campus Refund Policy complies with California Education Code §94919 which specifies that Institutions shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60% or less of the period of attendance. Institutions shall also refund 100% of the amount paid for institutional charges less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. GIA does not charge or retain an application fee or deposit.

If a student has received U.S. federal student financial aid funds, the student is entitled to a refund of the monies not paid from federal financial aid funds. Any refund is first calculated according to the Federal Student Aid Return to Title IV Policy. See Return of Title IV Funds on page 35 of the Education Catalog. Students who have received a scholarship are subject to the refund policy described in their scholarship acceptance letter.

Students will receive a full refund of all monies paid if the class is canceled by GIA.

The CA STRF fee is nonrefundable unless students cancel their enrollment prior to their start date.

Students who have obtained a loan to pay for an educational program will be responsible for repaying the full amount of the loan plus interest, less the amount of any refund to the lender. If they default on a federal or state loan, both the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid.

If a refund is due, it will be processed within 30 days of the date GIA received the notice of cancellation or withdrawal, or the last date of attendance, whichever is later.

**If enrollment is cancelled:**

- Within seven days of enrollment or before the end of the first class day, whichever is later, GIA does not retain any charges.
- More than seven days after enrollment or after the first scheduled day of class, whichever is later, and up through 60% of the scheduled instructional hours, GIA retains a pro-rata portion of the tuition.
- After 60% of the scheduled instructional hours, GIA retains 100% of tuition.

Unused books and materials, that are undamaged, are eligible for full refund upon inspection by GIA. Books and materials that are used or not returned in salable condition are not subject to refund.
