SUPPLIES

In order to ensure that the students have the proper safety equipment, we have included the supplies as part of the course costs. Due to sizing requirements steel toe boots must be provided by the student. If safety equipment and supplies were not included in the cost of the course and required to be purchased through the school, students could purchase some of the supplies elsewhere.

WITHDRAWS AND REFUNDS

Each student at the school has the right to withdraw from the course at any time. The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later. The student must turn in a notice of cancellation notice of cancellation in writing, a withdrawal may be effectuated by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance. The institution shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit or application fee not to exceed two hundred fifty dollars (\$250), if notice of cancellation is made through attendance at the first-class session, or the seventh day after enrollment, whichever is later. The amount of the refund shall be "prorated" according to the incomplete portion of the course less cost of any unreturned unused equipment and the registration fee. The refund shall be calculated in the following manner based on the student's last day of enrollment.

Refunds are calculated in the following manner:

Refunds for students who have completed 60 percent or less of the period of attendance shall be a prorated. The amount owed equals the daily charge for the program (Total institutional charges, divided by the number of days or hours in the program), multiplied by number of days student attended or was scheduled to attend, prior to withdrawal. Student must cancel in writing and clock hours continue to run until written notice (even if student is not at school) has been received. If student has completed more that 60% of the training, the school may keep the remaining tuition and no refund will be given. The registration fee is non-refundable, and we keep the cost of un-returned and/or used equipment. If a student loan is received for the cost of the course, the refund will be returned to the lender to reduce the loan debt. Maximum nonrefundable registration fee for Veterans is \$10.00, remaining amount will be prorated.

VETERANS ADDENDUM

REFUND POLICY FOR NONACCREDITED COURSES

This school has maintained a policy for the refund of the unused portion of tuition, fees and other charges in the event the veteran or eligible person fails to enter the course or withdraws or is discontinued therefrom at any time prior to completion. The amount charged to the veteran for tuition, fees and other charges does not exceed the approximate pro-rata portion of the total charges for tuition, fees, and other charges, that the length of the completed portion of the course should bear to its total length. Refunds will be issued to Veterans within 40 days of withdrawal.

To cancel the contract with the school, students must mail or deliver a signed and dated copy of the Notice of Cancellation or any other written notice to the school; the postmark will be the effective date if the notice is properly addressed with proper postage.

The student has the right to cancel the enrollment contract with Cal-Trade Welding School of Modesto without penalty or obligation until midnight of the seventh (7th) business day following (a) the first-class session that is attended, (b) the student's receipt of the Notice of Cancellation or (c) The student's receipt of the Enrollment Contract and other required disclosures, whichever is later.

If the school has given the student equipment or books, the student shall return the books or equipment unmarked and unused following the date of the Notice of Cancellation. If the student fails to return the books or equipment within this thirty (30) day period, the school may retain the portion that represents the documented cost of the books and equipment. In the event no monies have been paid, the student will be billed accordingly.

Refund policies are stated in the Enrollment Agreement and Notice of Cancellation. In the event of withdrawal or dismissal from the school, all books and supplies furnished must be returned immediately. Failure to return books and supplies in good condition (as determined by the school) following the date of withdrawal or dismissal will result in a reduction in a refund owed to the student in accordance with the terms set forth above. Within thirty (30) days of the day on which the refund is made, the institution shall notify the student in writing of the date which the refund was made, the amount of the refund, the method of calculating the refund, and the name and address of the entity to which the refund was sent.

PROBATION AND DISMISSAL

Students are expected to attend all classes. Cal-Trade Welding School of Modesto considers punctuality not only desirable but also necessary. The administrator will counsel students failing to maintain satisfactory attendance. If attendance fails to improve, the administrator, acting at his discretion may dismiss a student or place student on probation for unsatisfactory attendance. Re-admittance may be permitted if the cause for unsatisfactory attendance has been corrected.

The school determines if the student is maintaining satisfactory progress on a monthly basis. If the student's grades and attendance at the point that even with completion of half of the program, the grade average and attendance average cannot be improved to meet satisfactory progress criteria, the student may be placed on probation for the next month. If at the end of the probation period, the student's performance remains below minimum requirements the student may be dismissed or returned on probation, at the discretion of the administrator.

Veterans

Veterans or eligible persons are evaluated monthly to determine satisfactory progress. If the student's academic competence is below 70%, he/she will be placed on probation for the next two weeks. If at the end of the probation period, the student's performance remains below minimum requirements, veterans' benefits will be discontinued. Re-enrollment will be approved only after evidence is shown to the director's satisfaction that conditions which caused the interruption of benefits have been rectified.

ATTENDANCE POLICY

Students will be expected to attend classes as they would attend work if they were employed. All absences will be recorded. A leave of absence will be granted to a student who presents an acceptable reason; the administrator must grant this.

Absences will be considered as excused under the following circumstances: Birth or Death in the immediate family, illness, or any other legitimate reason that can be substantiated. All other absences will be considered as un-excused.

The administrator may excuse reasonable tardiness. Un-excused tardiness is considered an absence after one hour.

Class cuts will not be tolerated and are regarded as an unexcused absence. Make-up work may be required for the sake of progress; make up work can be completed during lunch. If attendance drops below 80% the student will be placed on probation for the next two weeks. If the student misses 5 consecutive unexcused days, he will be put on probation for the next two weeks. During probation time student must maintain perfect attendance. If attendance does not improve to required minimum average by the end of the probationary period, the student will be put on additional 2-week probation. If student misses any days during the second probation period, the student will be dismissed; Veteran students' educational benefits will be discontinued. Any additional time requested beyond original graduation date, due to excessive unexcused absences may be subject to extra charges.

STUDENT TUITION RECOVERY FUND STATEMENT

STATE OF CALIFORNIA CATALOG DISCLOSURE-STUDENT TUITION RECOVER FUND

“The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

Student Tuition Recover Fund, Non-Refundable charge, \$0.00 per \$1000 of tuition

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.”

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, Bureau for Private Postsecondary and Vocation Education P.O. Box 980818, West Sacramento, CA 95798-0818
Phone – (916) 431-6959 Toll Free (888) 370-7589

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”
