### Definitions

1. "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

5. "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
8. "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completed a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### STUDENT'S RIGHT TO CANCEL

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the initial class session, or the seventh day after enrollment, whichever is later.

Cancellation shall occur when you give written notice of cancellation at the address of the School shown on the top of the first page of the Enrollment Agreement. You can do this by mail, hand delivery or e-mail. The written notice of cancellation sent by mail, is effective when deposited in the mail properly addressed with postage prepaid.

The written notice of cancellation need not take any form and is effective if the written notice shows that you no longer wish to be bound by this Agreement. You will be given two [2] Notice of Cancellation forms [attached to this Agreement] to use on the first day of class, but you can use any written notice that you wish. If the school has given you any equipment, including books or other materials, you shall return them to the school within thirty days following the date of your Notice of Cancellation. If you fail to return this equipment, including books and other materials, in good condition within the thirty [30] day period, the School may deduct its documented cost for the equipment from any refund that may be due to you. Once you pay for the equipment, it is yours to keep without further obligation. If you cancel this Agreement, the School will prorate any money that you paid, less any deduction for equipment not timely returned in good condition, within thirty days after your Notice of Cancellation is received.

#### **Note:**

*In the event the eligible person fails to enter the course, withdraws, or discontinues attendance at any time prior to the completion, the amount charged to the eligible person for tuition, fees, and other charges should not exceed the approximate pro-rata portion of total charges for that program. For students who have completed 60% or less of the period of attendance, the amount to be refunded to the student shall be on a pro-rata basis.*

If a student obtains a loan to pay for an education program, the student must repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid programs. CEC 94911(e) (2). CEC 94919 or 94920. **Please refer to the refund policy specific to financial aid and financial aid disclosures.**

#### **Withdrawing from a Course after the Seventh (7th) Day after enrollment.**

You have the right to withdraw from a course of instruction at any time. You have the right to cancel this Agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. The School will remit a refund less a registration fee, if applicable, not to exceed \$75.00 within thirty days following your

withdrawal. You are obligated to pay only for educational services rendered and for unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction, the numerator of which is the number of hours of instruction which you have not received but for which you have paid, and the denominator of which is the total number of hours of instruction for which you have paid. If you obtain equipment, as specified in the Agreement as a separate charge, and return it in good condition within thirty days following the date of your withdrawal, the School shall refund the charge for the equipment paid by you. If you fail to return the equipment in good condition, allowing for reasonable wear and tear, within this thirty-day period, the School may offset against the refund the documented cost to the school for that equipment. You shall be liable for the amount, if any, by which the documented cost for equipment exceeds the prorated refund amount. The documented cost of the equipment may be less than the amount charged, and the amount the School has charged in the contract. In any event, you will never be charged for more than the equipment charges stated in the contract. For a list of these charges, see the list on the first page of this agreement.

**IF THE AMOUNT YOU HAVE PAID IS MORE THAN THE AMOUNT YOU OWE FOR THE TIME YOU ATTENDED, THEN A REFUND WILL BE GIVEN WITHIN THIRTY DAYS OF WITHDRAWAL. IF THE AMOUNT YOU OWE IS MORE THAN THE AMOUNT YOU HAVE ALREADY PAID, THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY THE BALANCE.**
