The Secretary published the final regulations in the Federal Register (88 FR 70004) on October 10, 2023. These regulations apply to most educational programs eligible to participate in the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, as amended (HEA). On July 1, 2024, the U.S. Department of Education's new Financial Value Transparency and Gainful Employment regulations were enacted. Under these regulations, the Biden administration's new gainful employment rule will provide the strongest protection against unaffordable college debt for non-degree programs in any sector. Associated Barber College of San Diego will make gainful employment information available to students on its website once the U.S. Department of Education offers guidelines.

## **HEALTH AND PHYSICAL CONSIDERATIONS FOR BARBERING & COSMETOLOGY:**

Prospective students should be aware of the physical demands required of the beauty industry professional. Occupations in the beauty industry generally require continued standing or sitting and constant use of the upper torso, shoulders, arms, wrist, and hands, upper back, and neck. Certain individuals may have allergies or sensitivities to the specific chemical products used in barber occupations. A student must be physically capable of performing all required activities conducted at the school and complying with all safety policies and procedures. Working with the public also requires the ability to always have compassion and patience for people.

## **HEALTH WARNING**

Exposure to chemicals used in the beauty industry may cause cancer and congenital disabilities or other reproductive harm to you and your unborn child. In addition, the physical demands required by the school curriculum could place unwanted stress on the mother and child during pregnancy. Please consider this and consult with your physician regarding these issues before enrolling and signing the Enrollment Agreement.

## **INDUSTRY EARNINGS**

As with any career, the amount of income one can earn in the beauty industry is directly related to the amount of effort one applies to their profession. Minimum efforts will most likely result in minimum earnings, while maximum efforts can lead to much higher compensation levels. One's ability to earn income in the beauty industry depends on one's ability to communicate, present oneself professionally, develop great people skills, maintain a positive attitude, and perform excellent barber or cosmetology skills of the trade. The ABCSD curriculum is designed to teach students these skills to help them obtain an entry-level position upon graduation and licensing, but students' effort to learn these skills is solely up to them. In addition to the above-earning considerations, earnings levels can depend on work location, tipping habits, competition, the discretion of your employer, and the position held. Accordingly, since earnings are dependent on the efforts of the individual and other factors, ABCSD does not make any express or implied claim about the salary or wages that you may earn after completing your designated educational program. This program may result in freelance or self-employment. The work available to graduates of this program is usually for freelance or self-employment. This type of work may not be consistent. The period of employment can range from one day to weeks to several months. Hours worked in a day or week may be more/less than the traditional 8-hour workday or 40-hour workweek. You can expect to spend unpaid time expanding your networks, advertising, promoting your services, or honing your skills. Once graduates begin to work freelance or are self-employed, they will be asked to provide documentation that they are employed to be counted as placed for our job placement records. Please see our School Performance Fact Sheet on our school website [www.associatedbarbercollege.edu](http://www.associatedbarbercollege.edu) related to the outcomes in the educational program you select and will contain wage and salary data for career occupations.

## **GENERAL EMPLOYER’S REQUIREMENTS**

It is best if each barber or cosmetologist can meet requirements set forth by the employer or place of business. Most successful barbershops and salons wish to offer employment to skilled barbers and cosmetologists with professional attitudes and work ethics. To be hired or contracted by a California licensed establishment, you must have a valid California license in barbering or cosmetology. It is recommended that as a licensed professional, you are skilled in barbering or cosmetology, punctual, willing to work an agreed-upon schedule, comply with State Board rules and regulations and demonstrate excellent customer service.

## **ABILITY TO BENEFIT (ATB)**

ATB students are not eligible for Title IV funding at ABCSD. We do not admit ATB students.

## **VACCINATION POLICY**

Our school does not have an immunization requirement for admissions to this school. We encourage all students to follow the guidance of the California Department of Public Health [www.cdph.ca.gov](http://www.cdph.ca.gov) and the Center for Disease Control [www.cdec.gov](http://www.cdec.gov) regarding all vaccines.

## **ARTICULATION OR TRANSFER AGREEMENT**

ABCSD has not entered into an articulation or transfer agreement with any other college or university.

### RE-ENTRY / RE-ENROLLMENT POLICY

Students who withdraw from school and desires to re-enroll must request permission from the school Director. The school Director has complete discretion for approval for re-entry to the program. Upon approval, the Director will determine the number of hours accepted to re-enter the program. Students desiring to re-enroll within six (6) months of their last date of attendance will be readmitted at their original tuition rate. Students who re-enroll more than six (6) months since the last day of attendance will be subject to the current tuition rate. All re-enrollments will require a new Enrollment Agreement. A student re-enrolling re-enters at the same progress status as of their last day of attendance. A re-enrolling student failing to meet minimum satisfactory progress requirements at the time of withdrawal will have the same academic progress status when they return. Re-enrolling students on probation are not eligible to receive financial aid and will be admitted on a cash basis only. Financial aid may be reinstated when the student achieves satisfactory progress at the next evaluation point. Please refer to the Credit for Previous Training Policy for more information. The school reserves the right to evaluate the previous enrollment and to verify the student was in good standing with a tuition account paid up to the last date of attendance before the student is accepted for re-enrollment. The school will charge the student a non-refundable re-enrollment fee of \$250.

### PREVIOUS EXPERIENCE OR CREDIT FOR PREVIOUS TRAINING POLICY –

Students requesting credit for previous experience to be considered transfer hours into our school from another school must have the School Director's approval before enrollment. All previous experience must be submitted on a certified/signed California Board of Barbering and Cosmetology Proof of Training document and a transcript from the previous California school. The school's Director will review the documents and decide what credit will be transferred to our school. It is the School Director's discretion to accept a transfer student. When the School Director approves the transfer, appropriate credit may be granted for before training hours at the discretion of the school Director. Our Admission team will then conduct an evaluation of all previous educational training, give credit when appropriate, reduce the length of the program proportionately and keep records of this process in the student's file. The school may not elect to accept all or any of the previous hours of training and operations. The transfer hours received from another institution toward the student's educational program are counted as attempted and completed hours to determine when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contract hours at the institution. All out-of-state applicants must furnish the FORM C of credit hours from the California Board of Barbering and Cosmetology. It must be notarized from the previous school attended. There are no charges for the transfer process.

### FOREIGN STUDENTS

All students must have a United States Social Security Number, or a Tax ID Number issued by the U.S. Government. Our school does not provide English Language Services. Our college does not provide Visa Services. The level of English language proficiency is that of the equivalent of passing high school in the United States. Instruction is taught in English only. The Board of Barbering and Cosmetology will allow an interpreter to accompany the student to the exam for the test. Please contact the Board of Barbering and Cosmetology or see the school's Admission team for information on taking an interpreter to the exam.

### DISABLED STUDENTS

ABCSD does not discriminate based on disability in admission or access to its programs, services, or activities of individuals who meet the essential eligibility requirements. The school will provide reasonable accommodations for documented disabilities of individuals who are eligible to receive or participate in programs, services, or activities. ## **TUITION AND FEES (CON'T)**

\*\* As of April 1, 2024, students who meet the California Student Tuition Recovery Fund criteria are required to pay \$0 for every \$1000 of institutional charges rounded to the nearest \$1000. Please see additional STRF information in this catalog. See the Tuition and Fee Schedule above for STRF fees per course.

\*\*\* Final Cost for Books/Tool/Uniform See tool list for details.

Total tuition charges for the period of attendance and total charges for the entire educational program are the same and are an estimate of the charges due at the time of enrollment.

### **REGISTRATION FEES (Non-Refundable):**

Registration Fee -\$100.00 due at the time of enrollment.

Re-Enrollment Registration Fee-\$250.00 due at your registration appointment if you have been approved by the Director to re-enroll.

### **TUITION (Total tuition charges for entire educational program):**

Tuition charges are listed above for each program. \*Tuition is charged by payment period. A payment period is defined as half of the clock hours in a 900-clock hour and 26 weeks of an academic year or half of the clock hours or weeks in the programs less than a full academic year of 900 clock hours and 26 weeks.

### **OVERTIME CHARGES (Financial Aid funds and VA benefits will not pay for Over Contract Time Charges)**

Overtime occurs when a student has not completed their program by the contract graduation date stated on the Enrollment Agreement or Addendum. Suppose completion of clock hours is not completed by the contract graduation date on the Enrollment Agreement, and the allowable absence hours have been exhausted. In that case, additional tuition charges will accrue at the hourly rate stated on the student's Enrollment Agreement: There are no overtime charges for 94%-100% attendance at the said contract graduation date.

A student with an attendance percentage of 93% or below will have over-contract time charges added to the student ledger at the said contract graduation date. When over-contract charges are incurred, these charges are added to the student's ledger as tuition. The school will create a new Enrollment Agreement addendum to determine the revised contract graduation date for the clock hours in the program. This overtime charge process will continue until the student has completed the program.

### **OVERTIME CHARGES EXAMPLE**

Example: If a student needs 100 hours to complete the program at the time of the agreed upon completion date on the Enrollment Agreement, the overtime charges will be \$20.00 per hour x 100 hours = \$2,000 to complete the program and a new completion date will be determined to complete the program. The new completion date is determined by the number of hours needed to complete the program divided by how many daily scheduled hours the student has agreed to attend. More overtime charges will accrue if the student has not completed the program by each completion date.

## **TUITION AND FEES (CON'T)**

### **OVERTIME PAYMENT REQUIREMENT**

Once a student exhausts the allowable absence hours and the student accrues overtime, the student could be required to bring all overtime charges current at the end of the payment period. If the student does not bring the overtime payment charges current, then attendance could be suspended until the tuition is paid in full at the discretion of the Director or Associate Director. Each student will be required to have all tuition charges current before the next payment period starts.

### **BOOKS/TOOLS/UNIFORM**

Equipment and materials used in our programs are industry standard or above. Tools that are charged are listed at the time of enrollment. Tools that are included in the tuition for our courses include, but not limited to shears, clippers, blow dryers, razors, brushes, doll heads, tripods, combs, and other required tools for barbering and/or cosmetology. Due to the supply availability, we make every effort to keep our tool list current and all our tools in stock to be issued. Occasionally an item might be backordered, and we will replace the item with equal or greater value as soon as possible.

Books/Tools/Uniform that are purchased in the tool kit are issued and charged on the first week of class and are required for all courses at ABCSD. It is mandatory that the Books/Tools/Uniform are purchased as they are listed. A tool list will be provided at the time of enrollment.

The contents of tools kits are subject to change without notice. If items become unavailable from the supplier, we will offer a replacement of equal or greater value at no additional cost. The school is not responsible for student's equipment, lost or stolen. Students must learn to be responsible for the tools of their trade. The school suggests that all students keep their tools locked in their assigned locker when they do not use them.

Books/Tools/Uniform are itemized in Phase 1 and Phase 2. Each student signs off at the time of receiving each item. Students are required to go through their tool kit upon receipt and acknowledge that all contents are in working order. After the student acknowledges receipt of the Books/Tools/Uniform, the student is 100% responsible for the items. Returns must be handled directly through the manufacturers. All tools/books/supplies are issued in original packaging. Opened and/or used tools are not refundable.

Barbering~: Students will be issued the Phase 1 Tool Kit on the first week of class. After successful completion of Phase 1 class objectives (5 weeks), a minimum of 80% attendance maintained and first tuition payment made, the Phase 2 Tool Kit is issued. The tool kit contains the equipment necessary for satisfactory completion of the program and to begin employment. Students are expected to maintain the kit by replacing lost and/or broken items.

### Cosmetology ~:

After successful completion of Phase 1 class objectives (10 weeks), a minimum of 80% attendance maintained and first tuition payment made, the Phase 2 Tool Kit is issued. Once your schedule change is approved, the new schedule will begin on the following Monday. The first two schedule changes are at no charge. The third schedule change will result in a \$25 fee due at the time of the change. A schedule change that results in different hours per week will be a \$25 fee. This fee is payable in cash only. Title IV funds or VA benefits will not pay for costs related to schedule changes.

### **CLASS COUNTS**

All of our classes start must have a minimum of three students at the time of enrollment to open a class. If a class is not available to open, the student will be notified of the next class.

### **DISCLOSURES OF CHANGES TO SCHEDULES AND DATES**

Our school reserves the right to change class start dates, orientation dates or student schedules without notice. We will make every effort to accommodate our students and their schedules.

## **ATTENDANCE POLICY**

Your commitment to your agreed upon schedule is vital to your success in our school. This is a clock hour program. Attendance on campus is vital to each student's success and important to the development for our future professionals. We take our attendance policy seriously by enforcing the policy daily. Each student is asked to commit to a schedule before signing the Enrollment Agreement. The student's schedule will create the student a completion date on the contract. Attendance at 94% or more will ensure graduation by the completion date. Attendance is monitored closely so that students maintain satisfactory progress.

All students are expected to be clocked in and prepared to begin class and remain on campus until their daily schedule is complete (except when on break or lunch). Students not physically present in class and on campus at their scheduled class time are considered absent. Attendance is taken multiple times a day.

## **CLOCK HOUR POLICY**

Each student will register with a palm scan in our school's software, GENESIS, on Orientation Day. Students must clock themselves in/out daily using a palm scan. Students must be clocked in/out of school on the agreed-upon schedule at the exact time. It is the student's responsibility to maintain an honest practice of using the student time software. Students have the responsibility to clock in and out daily for class and lunch breaks. Failure to do so will result in loss of hours attended. Students are directed to see administrative office for any questions or concerns with attendance tracking or procedures.

While the student is clocked in, they are required to be engaged and on campus in a learning environment. Once a student clocks in, the student must maintain a presence on campus until the morning break. Students are not allowed to clock in and leave campus to park a car or get food/coffee. Please be prepared to stay on campus once the student is clocked in. All governing agencies will only recognize time if the student is engaged in a learning environment. A learning environment is defined as being on our school campus and engaging in barber/cosmetology-related education. It is the student's responsibility to adhere to the clock hour policy. Violation of this could result in immediate suspension.

## **STUDENTS ATTENDANCE AND GRADE RECORDS**

Student hours are recorded daily in the Genesis software system. Tests that are taken in the CIMA software are graded and transferred into the Genesis software system. Physical attendance is taken multiple times a day in the theory classroom and practical floor. Cumulative attendance hours are made available to students weekly. Informal progress reports are available upon request.

Students are responsible for their student records (tests, make-up tests, hours, etc.) Students must check their SAP reports to verify that the number of services and test scores taken are correct. If there is a discrepancy in a student's record, please notify the administrative office immediately.

**FIRST FOUR WEEKS:** Each student will be required to maintain an 80% attendance for the first four weeks of school. If 80% attendance is not met, then enrollment can be terminated per class at the Director's discretion. It is at the Director's discretion to allow make up hours for the first four weeks.

## **ATTENDANCE POLICY (CON'T)**

**SAP** - Our SAP policy states each student must maintain a cumulative average attendance level of 67% of the scheduled hours indicated on the Enrollment Agreement. However, if a student only maintains 67% of attendance, this will extend the length of their program, which result in overtime charges.

### **100% ATTENDANCE**

It is our goal to keep each student at 100% attendance. Students who have less than 94% attendance at the end of your program will have overtime charges. Overtime charges are currently \$20.00 an hour. More than 100% attendance may affect your Title IV Funds. See Financial Aid Administrator for the explanation.

Failure to maintain the assigned class schedule may cause a student unsatisfactory academic progress, possibly resulting in ineligibility of financial aid, increasing the student's out-of-pocket financial obligation to the school.

### **SICK/LATE/PERSONAL TIME OFF**

Please see the chart on Page 11 for allowable absence hours per program. The student's contract graduation date on the Enrollment Agreement includes allowable absences hours for sick/late/personal time off. Any sick/late/personal time off hours are calculated into the total allowable absence hours. Frequent time off may result in overtime charges. Absences are absences. There are no excused or unexcused.

### **REQUEST FOR TIME OFF**

If student knows in advance that they will need SICK/LATE/PERSONAL TIME OFF, a Request Time Off Form must be submitted to the office and approved by the school administration. The request for time off must be less than 14 calendar days. Any time off hours is calculated into the total allowable absence hours. Frequent time off may result in overtime charges.

### **ABSENCE POLICY**

Students should notify the school before their start time if they're going to be absent. Absences will result in accrued absent hours. Absences of three or more consecutive days without notification shall be considered cause for a 2-day suspension. Be prepared to provide a medical excuse signed by a doctor if absences persist. Excessive absences may result in termination of enrollment as per the Director's discretion.

### **TARDY POLICY**

All students must clock in within 2 hours after their scheduled start time. If not, the student will not be able to clock in for the day and will be absent. All tardy hours are calculated into the total allowable absence hours. Frequent tardiness may result in overtime charges.

### **LEAVING EARLY**

Students must notify their instructor if he/she leaves early. A student must fulfill all sanitation duties before departure. Early departures are calculated into the total allowable absence hours. Frequent loss of hours may result in overtime charges.

## **ATTENDANCE POLICY (CON'T)**

### **MISSING STUDENTS**

If a student is clocked in and cannot be found for 15 minutes or more, they will not get credit for the hours after the school took the last time attendance. These hours are calculated into the total allowable absence hours. Frequent loss of hours may result suspension and in overtime charges.

### **SUSPENSIONS**

1. If a student is suspended, the hours missed for the suspension will be calculated into the total allowable absence hours. Frequent loss of hours may result in overtime charges.
2. Three suspensions during the program could result in termination.

### **TERMINATIONS/WITHDRAWALS FOR ABSENCES**

Any student absent 14 consecutive calendar days without notifying the Admissions Office will result in termination.

### **MAKE UP WORK**

Make up work will be assigned by way of oral, written, or practical assignment, depending on the judgement of the instructor as to which type of assignment would best benefit the student. Students may have to complete more than one assignment to meet their requirements. Required assignments and/or exams that are not made up within 14 days from the original assignment, except in extenuating circumstances, may result in the student's being dropped from the program.

### **MAKE UP HOUR POLICY**

Make up hours are at the discretion of the Director only. The school must have the availability to offer make-up hours for capacity issues on campus. Make up hours cannot be used to accelerate the contract graduation date.

### **LUNCHES & BREAKS**

Each student MUST clock out when taking a lunch break. Students who fail clock in/ out for their 30-minute lunch or take less than a 30-minute lunch will be docked 1 hour per day. A thirty (30) minute lunch break shall be taken and clocked in/out when a student attends a 5-hour or more class day. If a student misses their lunch break, then they will be required to clock out after 5 hours. If a student needs to take an extended lunch, it is required to inform the instructor immediately. Extended lunches are calculated into the total allowable absence hours. Frequent loss of hours may result in overtime charges. For every 6-9 hours of clocked in time, a student can take two 15-minute breaks. These breaks must be taken separately. The breaks cannot be combined together or with lunch unless the student has instructor's written permission to do so. If the student takes longer than 15 minutes per break, the student will be clocked out from the start of his/her break until returned.

## **LEAVE OF ABSENCE**

Students must follow this LOA policy when requesting a leave of absence. Occasionally, students may experience extended personal, medical, or other problems that make it difficult to attend class. The school may allow a student under such circumstance(s) to take a Leave of Absence (LOA) from the program.

To request an LOA, the student must submit a written request for a leave of absence in advance. If unforeseen circumstances prevent the student from doing so, the school may grant an LOA to a student who did not provide a request in advance, and the school will use the start date of the approved LOA as the first date the student was unable to attend. After documenting the reason for the decision, collect the completed LOA request form upon return and signature.

A written request can be submitted in person to our Admissions Office, or via email [info@associatedbarbercollege.edu](mailto:info@associatedbarbercollege.edu) or by mail 1333 5<sup>th</sup> Avenue, San Diego CA 92101. An email request must come from the email address the school has on file for the student.

The written request must include:

- the reason for the student's request,
- the start and end dates of the requested LOA,
- the student's signature

Each leave of absence request will be considered on an individual basis and may be granted to a student at the discretion of the school. The student will not be charged any additional school charges as a result of the approved LOA. Students may be granted a Leave of Absence for a minimum of 14 calendar days to a maximum of 180 calendar days within any given 12-month period. These days can be accumulated from more than one Leave of Absence.

### Example:

	<u>LOA START DATE</u>	<u>LOA END DATE</u>	<u>TOTAL DAYS</u>
First LOA-	March 1, 2018	July 3, 2018	124 Days
Second LOA-	September 21, 2018	November 16, 2018	56 Days
LOA-	TAKEN		
TOTAL DAYS			180 DAYS

The school cannot guarantee availability when the student returns from the LOA. The school has the right to extend the LOA until the school has a class or space to offer the student, not to exceed 180 days. Students returning from an LOA will return to the academic progress standing they held before leaving. Students on an LOA are not considered withdrawn, and the school will not perform a refund calculation. Students who fail to return from an LOA on the approved date of return will be considered dismissed as of the last class day of attendance before the start of the leave. The withdrawal date to calculate a refund is based on the student's last day of attendance.

With an approved LOA, the student's contract period will be extended by the same number of calendar days taken in the LOA. An addendum to the contract graduation date will be modified, signed, and dated by the student and office staff. As required by federal statute and regulation, the school will use the student's last date of attendance before the LOA to determine the amount of tuition earned.

### **LEAVE OF ABSENCE (CON'T)**

An LOA will impact Title IV loans. During an LOA, scheduled Title IV loans will not be disbursed. All scheduled disbursements will be on hold until the student returns from the LOA. Federal loans already disbursed will enter the six-month grace period. During the six-month grace period, students are not required to make payments on their federal student loans. If the student does not return on the scheduled LOA return date, the student will be dismissed, and the Department of Education will be notified. The loan servicers will notify the student of the repayment date. If the student is unable to make payment, they are to contact the loan servicer to determine if they qualify for a deferment (unemployment, economic hardship deferments) or forbearance.

### **CONDUCT POLICY**

The school requires that a student always conduct himself/herself courteously. Refusal to conduct themselves in an orderly and considerate manner and comply with all rules and regulations of the school will be sufficient cause for interruption of training, and any sponsoring agencies will be notified. Our rules for student conduct are for successful professionals. Our rules are gathered from employers with many years of experience and are expected to conduct all successful Barber/Cosmetology Establishments.

Each student is given our written policies on Safety and Security, Sexual Misconduct, and Drug and Alcohol Prevention. ABCSD defines sexual assault as "any attempt or actual unwanted sexual contact, physical or non-physical, in the absence of explicit and voluntary consent. Clear and voluntary consent that is given freely and is active in mutually agreed-upon sexual activity. Consent is not clear or voluntary if it results from physical force, threats, intimidation, or coercion. It is a violation of policy to have sex or sexual contact with someone who is known to be or should be known to be incapable of making a rational, reasonable decision."

All of our school policies can be found on our website: [www.associatedbarbercollege.edu](http://www.associatedbarbercollege.edu).

### **WORKSTATION ASSIGNED**

Salon and Barber chairs and practical work areas will be assigned to each student by administration and faculty. Chair assignments are made as per availability per student schedule and could change daily. Most chair assignments will change every 5-10 weeks. It is expected that students will comply with chair assignments.

### **DRESS CODE**

Students are required to arrive at school each day in their clean issued uniform and groomed for school. This includes hair done and men shaved, or beard groomed. Smocks are worn on the outside of personal garments, including jackets. Long pants are required. Sweatpants or gym pants are not allowed. A shirt is required under the uniform. No shorts, skirts, or dresses are permitted. Shoes must be closed toe with a low heel. A work-type shoe is recommended. Students must arrive at school appropriately groomed. The Dress Code Policy is enforced on or off-campus and on breaks if the student is clocked in. Violation of Dress Code Policy will result in the student being sent home to correct his/her attire. If the student is sent home, the student will be required to clock out.

## **NOT-FRATERNIZATION POLICY**

Students must refrain from developing personal relationships with instructors, administration, and other employees of ABCSD. Employee/student social relationship must maintain professional for the school setting. This includes all social media, phone, or text messaging. Relationships formed pre-enrollment between ABCSD employees, and students should be immediately disclosed to the Director so that the school can determine whether the relationship violates this policy.

## **SCHOOL RULES AND REGULATIONS**

All students receive a copy of the Rules and Regulations in the school catalog before signing the school's Enrollment Agreement. All School Rules and Regulations are reviewed in Orientation. Failure to comply with school rules and regulations may result in student's suspension or termination. All students understand that they are enrolling as a student and students are not employees of the school.

If you determine a phone call is an emergency, excuse yourself from the client or the classroom and take your emergency phone call outside or in the break room.

10. Rigid adherence to the rules of Health, Safety and Sanitation and personal hygiene are required at all times. Students must keep their workstations clean and in sanitary condition. A minimum of ½ hour of sanitation duties must be completed by each student daily. All tools and materials must be in a sanitized condition at the end of each practical service. Continued violation of sanitation rules will result limited practical floor services. Sanitation is a major part of our curriculum. A clean school is a part of our sanitation curriculum. ### **NON-DISPARAGEMENT POLICY**

Students of ABCSD acknowledge and agree that disparagement refers to negative remarks about the school, its students, employees, and associates made maliciously and recklessly about those individuals and entities. The availability of social media (Facebook, YouTube, Twitter, Snapchat, etc.) carries the responsibility to use these forms of communication with respect and integrity in all networking aspects. Students must refrain from making any negative comments or representations towards our school, staff, and office personnel. Violation of this policy will result in disciplinary action or termination from enrollment.

## **SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY**

Associated Barber College of San Diego expects all students to maintain Satisfactory Academic Progress (SAP) as established by this institution, which complies with guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. This policy is discussed and given to the prospective student before enrollment. This SAP policy is consistently applied to all students enrolled in a specific program that is specifically tailored to the students scheduled category of attendance (e.g., part-time, full-time). SAP evaluation periods are based on actual clock hours of attendance.

SAP applies to all students regardless of whether they are receiving Title IV financial aid. Federal regulations require that all schools participating in any Title IV Federal Financial Aid program must adhere to their SAP policy. As a Title IV Financial Aid recipient, you must maintain SAP to remain eligible to receive Title IV Federal Financial Aid.

### Academic Year Definition

The academic year at Associated Barber College of San Diego is 900 clock hours and 26 weeks.

### Evaluation Procedures

Students will receive a printed copy of their SAP at each evaluation point. A signed copy will be maintained in the student's file. This will ensure that each student is notified of their SAP progress and how it impacts the student's eligibility for Title IV Funds. Evaluation points are actual hours listed below:

Program/Clock hours		Evaluation Period #1		Evaluation Period #2		Evaluation Period #3	
		Actual Clock Hours	At Week	Actual Clock Hours	At Week	Actual Clock Hours	At Week
Barbering, Cosmetology	1500	450	13	900	26	1200	38
Barbering	1200	450	13	900	26	1050	30
Barbering, Cosmetology	1000	450	13	900	26	950	28
Barber Crossover	400	200	6	N/A	N/A	N/A	N/A

**SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (CON'T)**

Partial academic year evaluation periods are the period in which the student successfully completes both (1) half of the clock hours and (2) half of the academic weeks while second evaluation period is the period in which the student completes the course or program.

All evaluations are completed and documented within seven (7) School Business Days of the due date of the evaluation, thus based on and completed for the published evaluation point.

**Standards for SAP:**

Quantitative (time-based) and Qualitative (grade-based) Standards:

1. Maintain a cumulative academic average of "C" (75%) or better on all tests, work projects (operations), final practical assessment and other required course work.
2. Maintain a cumulative average attendance level of 67% of the contracted hours indicated on their enrollment contract. For example, a student scheduled to complete 35 hours per week would have to maintain an average weekly attendance of at least 23 hours per week (35 x .67 = 23). To determine your rate (pace) of attendance divide the cumulative number of hours completed by the scheduled hours to date.

Completion of Program Within Designated Period of Time

Full-time students attend 35-40 hours per week. Part-time students attend 30 or 24 hours per week. Students are expected to complete their program within one and one-half times (150%) the length of the program as defined in the catalog. For example, a student who enrolls in the Barber program (1 000 clock hours) at 30 hours per week must complete within 51 weeks. For determining the maximum time frame, transfer hours from another institution that are accepted toward the student’s educational program are counted both as attempted and completed hours. Students must meet minimum academic and attendance requirements at each evaluation point of the program to be considered as making satisfactory academic progress until the next scheduled evaluation. SAP evaluation points are based on actual clock hours.

Maximum Time Frame

Students must complete the educational program within the maximum time frame which is based on attending at least 67% of the scheduled hours.

<u>Program Name</u>	<u>Weekly Schedule Clock Hour</u>		<u>Length (Weeks)</u>	<u>Maximum Time (Weeks)</u>
Barbering ~ 1500 Clock Hours	40	1500	38	57

Students who exceed the maximum time frame may be terminated at the School Director’s discretion.

## **SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (CON'T)**

### **GRADING**

Students are evaluated on a regular basis in theory and practical work. For theory, all students will be graded on every chapter in the Milady textbook. Each Chapter test must have a passing grade of 75% or better. The Theory tests evaluations are measured on a standard percentile basis and the percentage is converted to Excellent, Above Average, Average or Failing – Unsatisfactory (see chart below). For Practical, all students will be evaluated daily when doing practical operations. The Practical tests are measured on a pass or fail basis issued by the instructor. An instructor would notify you immediately if the service resulted in failing work. Students must maintain a minimum of 75% cumulative grade average to maintain satisfactory academic progress status. The system detailed below is the system utilized in the school.

### **ACADEMIC GRADING**

Grading Scale	
90% - 100%	Excellent
89% - 80%	Above Average
79% - 75%	Average
Below 75%	Failing - Unsatisfactory

### **REQUIREMENTS FOR A SATISFACTORY COMPLETION OF THE PROGRAM**

The student shall have completed Theory and Operations required by Board of Barbering and Cosmetology with a grade average of 75% or better.

### **DETERMINATION OF PROGRESS OF STATUS**

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory progress until the next scheduled evaluation.

### **SAP ACADEMIC WARNING**

If a student fails to meet satisfactory academic progress standards for either attendance or academics at any evaluation point, the student will automatically be placed on an SAP Warning Status and will remain in that status until the next evaluation point. At the warning period, a written academic plan will be agreed to by the student and Director. If both parties cannot agree on the academic plan, enrollment may be terminated. The student will be counseled regarding actions required. A student placed on an SAP Warning status may continue to receive financial aid funds. The student will be counseled on the potential loss of eligibility of financial aid funds, if applicable, and will be advised on steps necessary to correct the academic deficiency and be reinstated to good academic standing.

### **SAP PROBATION/APPEAL/REINSTATEMENT AND REESTABLISHING ELIGIBILITY PROCEDURES**

A student who fails to meet satisfactory academic progress after the SAP Warning period will lose their financial aid eligibility (if applicable). The student may appeal this determination, and if he/she prevails, the student will be placed on SAP Probation, and financial aid will be reinstated for one payment period. An SAP Probation determination explains why the student did not make satisfactory progress and document the circumstance(s) which caused them to have unsatisfactory progress. The basis for filing an appeal, such as the death of a relative, injury or illness of the student, or other extenuating circumstances, requires documentation. The written

## **SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (CON'T)**

appeal request must also include a statement of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next evaluation period.

## **TRANSFER HOURS**

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purposes of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the school.

## **APPEAL PROCESS**

A student who fails to meet satisfactory academic progress after the SAP Warning period will lose their FSA eligibility (if applicable). The student may appeal this determination, and if he/she prevails, the student will be placed on SAP Probation. An SAP Probation determination explains why the student did not make satisfactory progress and document the circumstance(s) which caused them to have unsatisfactory progress. The basis for filing an appeal, such as the death of a relative, injury or illness of the student, or other extenuating circumstances, requires documentation. Documentation must include the following mitigating circumstances:

- The rate of progress slowed because of a physical disability or medical condition; or
- For other extenuating circumstances, such as,
  - COVID 19
  - Illness or injury afflicting the student during the enrollment period.
  - An unavoidable change in the student conditions of employment.
  - An unavoidable geographical transfer resulting from the student's employment.
  - An unanticipated difficulty of childcare arrangement during the enrollment period.
  - Immediate family or financial obligations beyond the control of the student.
  - Unanticipated active military service, including active duty or training.
  - Discontinuance of the program by the College.
  - Illness or death in the student's immediate family.

The written appeal request must also include a statement of what has changed in the student's situation that will allow the student to meet the standards for SAP by the beginning of the next evaluation period.

The student must submit a written appeal as to why he/she failed to make SAP to the school administration within five (5) business days of not making satisfactory progress or termination. If the student fails to appeal this decision, the decision will stand as FINAL. Suppose a student is terminated for gross misconduct, which includes, but is not limited to, reporting to school under the influence of alcohol or illegal drugs, cheating, stealing, insubordination, and threats, and bullying. In that case, such termination is final and may not be appealed.

An appeal hearing will take place within five (5) business days of receipt of the written appeal. This hearing will be attended by the student, parent/guardian (if the student is a dependent minor), the student's instructor, and School Director. A decision on the student's appeal will be within three (3) business days by the Director of Education and will be communicated to the student in writing. This decision will be final. If the student's appeal is approved, eligibility for FSA funds will be reinstated for one evaluation period, and the student will continue SAP Probation until the beginning of the following evaluation point. The original academic plan will be revisited with the student and revised to ensure conformance with the expected minimum SAP standards.

### **SATISFACTORY ACADEMIC PROGRESS (SAP) POLICY (CON'T)**

Students who do not appeal a determination of unsatisfactory progress and termination of FSA funds or whose appeal has been denied may continue school on Probation status for one evaluation period as a cash-paying student. At the end of the Probation period, all students on Probation status will be required to have satisfied all standards for SAP. Students who fail to meet the criteria for SAP by the end of the Probation period may be terminated from school. Students who complete the SAP standards by the end of the SAP Probation period will be reinstated to good academic standing and will regain their FSA eligibility.

Results of the appeal and academic plan(s) are documented in the student's file.

### **LEAVE OF ABSENCE, INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS**

The Leave of Absence will extend the student's contract period by the same number of calendar days taken in the leave and will result in no additional charges to the student. A Leave of Absence does not count as attempted or the rate of progression in determining SAP. A course interruption does not count as attempted or rate of progression in determining SAP. Course incompletes are counted as attempted clock hours but not earned and will be included in the calculation or the rate of the progression in determining SAP. Withdrawals are counted as attempted but not earned and will be included in the calculation or rate of progression in determining SAP. Repetition of a course is counted as attempted clock hours earned and will be included in the calculation or rate of progression in determining SAP.

### **NON-CREDIT, REMEDIAL**

Non-credit and remedial do not apply to this College. Therefore, these items have no effect upon the school's SAP standards.

### **DETERMINATION OF WITHDRAWAL**

ABCSD will determine a student's withdrawal as per the following:

- The student notifies the school of the student's withdrawal in writing.
- The school terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.
- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student's withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

### **RE-ENTRY POLICY**

Students who withdraw and desire to re-enroll must request permission from the Director to re-enter the program. Upon approval, the Director will determine the number of hours that will be accepted to re-enter. All re-enrollments will require a new Enrollment Agreement. The new Enrollment Agreement will be based on the current cost of tuition and fees. Please refer to the *Credit for Previous Training Policy* for more information. The institution reserves the right to evaluate the previous enrollment and to verify the student was in a good standing with a tuition account paid up to the last date of attendance before the student is accepted for re-enrollment. A non-refundable re-enrollment fee of \$250 will be charged.

### **RE-ENTRY POLICY (Con't)**

Students who withdraw before completion of the program and have been approved by the School Director to re-enter within six months of the original formal withdrawal date will re-enter at the same progress status as applicable at the time of withdrawal. All student records are stored for six (6) years only and it is the responsibility of the student to maintain all documents received from the institution beyond the six-year period. The school reserves the right to evaluate the previous enrollment and to verify that the student was in good standing with ABCSD before the student is accepted for re-enrollment.

### **GRADUATION REQUIREMENTS**

Students are eligible for graduation, providing they have completed the required program clock hours, maintain a 75% grade in theory, have completed all required course practical services, passed a simulated Mock State Board test.

### **DIPLOMA CERTIFICATE**

Students will receive a Diploma Certificate when graduation requirements are met. There is a \$20 fee for each request for a duplicate diploma certificate.

### **OBTAINING PROOF OF TRAINING**

When a student has fulfilled all his/her financial obligations to the school and the student ledger has a zero balance, a Proof of Training Document will be issued to the student. Students are required to have their Proof of Training document to take the state exam. There is a \$20 fee for each request for a duplicate copy Proof of Training.

### **OBTAINING TRANSCRIPTS**

Students will receive an Official Transcript at the completion of the program. An unofficial transcript can be requested through [info@associatedbarbercollege.edu](mailto:info@associatedbarbercollege.edu). A printed copy can be available in the school's office or can be emailed to the student's email address.

### **ELIGIBILITY FOR STATE EXAM**

Applicable students are eligible for examination given by a state agency outside of California, provided they have completed the selected program at a licensed school. Associated Barber College of San Diego's programs meets or exceeds the minimum requirements prescribed by the California Board of Barbering and Cosmetology. Each exam applicant must be seventeen years of age, have a current government issued photo I.D., a Social Security number or TIN, completed the 10<sup>th</sup> grade or equivalent and possess a Proof of Training document issued by a licensed California approved school. A Proof of Training document will be released to the student as soon as all graduation and financial requirements have been fully met. The Board of Barbering and Cosmetology will approve all applicants. Once an examination application is approved by the Board, a PSI handbook will be sent to the candidate. The candidate will schedule the written exam at a time and PSI location of their choice.

### **LICENSING REQUIREMENTS**

An approved applicant will be required to pass a State written exam at a minimum of 70% for Barbering and 73% for Cosmetology. The California examinations are administered at the PSI examination centers in California.

### **EXAM APPLICATION POLICY & Fee - Barbering & Cosmetology Program**

The Application Process begins as soon as all graduation requirements are met, Proof of Training Document, and Official Transcripts are issued to the student for the program. BreZE is DCA's licensing and enforcement system, and a one-stop shop for consumers, licensees and applicants. Licensees and applicants can submit license applications, renew a license and change their address among other services.

BreZE only accepts credit card payments for American Express, Discover, MasterCard, and Visa.

The Board of Barbering and Cosmetology Barber Exam is \$125.00. This cost is not included in the ABCSD program. The fee is subject to change without notice.

### **CAREER ADVISING AND PERSONAL ATTENTION**

Students are advised individually, formally, and informally, as often as necessary, but minimally at each SAP to review the student's progress. Students are given personal attention and assistance at every stage of training from the first day of their enrollment. At predetermined intervals, measuring instruments are utilized to evaluate the rate and quality of the student and remedial assignments are made when required. Particular attention is given for the preparation of the Board of Barbering Examination. Successful Barbers, Shop/Salon Owners and Stylists are scheduled to give demonstrations and to discuss career goals, etc., with the students. ### **JOB PLACEMENT**

Included in our passion, we strive to make each student highly employable. Our school works closely with barber shop and salon owners and alumni so that all graduates of our school are given an opportunity to secure employment in our industry that is right for them. Throughout your program we have many alumni that come to our school to share their experience and give back to our students by way of knowledge and wisdom. Our school cannot guarantee employment nor does the school use placement data as an incentive to entice prospective students to enroll. Notices are posted on the student bulletin board of jobs available from neighboring Barber & Cosmetology establishments. Instructors teach interviewing techniques and assist graduate in locating employment.

Graduates are encouraged to check back with the school at any time after the graduate has passed the State Board exams and received their license for assistance with employment. The graduate is also encouraged to keep in contact from time to time with the school to keep us abreast of his/her progress, employment status, and provide feedback on the scope of the training the student received at the school.

## **NOTIFICATION OF RIGHT UNDER FERPA**

The Family Education Rights and Privacy Act (FERPA) is a Federal Law that protects the privacy of a student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students".

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR 99.31)
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone, number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about the directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. For additional information, you may call 1-800-USA-LEARN (1-800- 872-5327) (voice). Individuals who use TDD may use the Federal Relay Service). Or you may contact us at the following address: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-8520.

Title IV funds are intended to defray the costs of attending for those students eligible for financial aid considerations.

Financial aid is a mechanism that reduces out-of-pocket costs that the student and parents must pay to obtain a specific postsecondary education. Financial aid is money made available to help students meet their cost of attendance for both direct and indirect expenses. Financial aid includes grants and student loans. Grants do not have to be repaid. Financial aid is awarded to students who have "need." The need is the difference between the amount of money the family will be expected to contribute to meet student costs and the cost of education at this school.

ABCSD offers financial aid for students who qualify. While attending college, qualified students can apply for and receive Federal Pell Grant, Federal Direct Loan Program (FDLP). FPELL is gift-aid from Federal Government for students who qualify. Students do NOT need to pay back the FPELL. Payments are due for the Subsidized and Unsubsidized loans six (6) months after the student leaves school. This departure date refers to graduation, as well as an early withdrawal. If the student does not finish the program, ABCSD will refund any unused Title IV to the lender; however, the student is responsible for any funds ABCSD keeps for tuition needs.

The Studentaid.gov website is the U.S. Department of Education's homepage for student aid. It provides information on types of aid available, as well as how to apply for and manage financial aid. It receives data from schools, agencies that guaranty loans, the Direct Loan program, and other U.S. Department of Education programs. Studentaid.gov provides a centralized integrated view of Title IV loans and grants that are tracked through their entire cycle from aid approval through closure. Students can use the website to view financial aid history. The site displays information, located on the individual's dashboard on loan and/or grant amounts, outstanding balances, loan statuses, disbursements. The Glossary of Terms contains information on terms relating to loans and grants and the different types of financial aid available and how to apply for them.

The borrower is responsible for all interest. Financial need is not required. The maximum amount an independent student may currently borrow at ABCSD is up to \$6,000 in addition to the Direct Stafford loan for the first and second academic years. The maximum amount a dependent student may currently borrow is up to \$2,000. The second academic year loan amount is subject to proration for the Barbering/Cosmetology Programs.

The entrance counseling ensures that the terms and conditions of the loan and rights and responsibilities are understood. Students will learn about student loans, how interest works, options for repayment, and how to avoid delinquency and default. The entrance counseling is via an interactive session for undergraduate students is completed online at [www.studentaid.gov](https://www.studentaid.gov). The Financial Aid Office also provides in-person counseling to reiterate the terms and conditions of borrowing loans and to answer questions. The School will receive confirmation electronically from the U.S. Department of Education when the student completes entrance counseling.

**Exit Counseling Requirements:** ABCSD requires exit counseling with each Direct Subsidized Loan or Direct Unsubsidized Loan borrower shortly before the student borrower ceases at least half-time study at the school. The exit counseling session is typically in-person and via interactive electronic means. The exit counseling interactive session is completed online at [www.studentaid.gov](https://www.studentaid.gov) within 30 days after the student borrower completes the program (34CFR685.304(b)). If the borrower withdraws without Notice or before completing the exit counseling as required, the exit counseling materials are mailed to the borrower's last known address within 30 days of the school's date of determination.

The applicant must add the Associated Barber College school code (042425) to the FAFSA® application for the school to receive the SAR/ISIR information. The Financial Aid Office may require additional documentation to substantiate the data entered on the form. Forms and assistance in completing them are available at ABCSD during administrative office hours. In addition to the FAFSA®, ABCSD may require a series of documents to apply to the individual student aid program and the student's family circumstances. Students are given a Financial Aid Estimate upon receiving a valid ISIR. An Award Offer Letter is issued once all documents are received and confirmed as accurate.

**DEADLINE:** A FAFSA® application must be submitted through [studentaid.gov](http://studentaid.gov) on or before June 30, of the prior year on which the application is intended. SAR or ISIR must be submitted to the Financial Aid Office by June 30, 2024, of the award year from which aid is requested or your last day of enrollment in the previous award year, whichever comes first. For Cal Grant or Dream Act applicants, the FAFSA® or CADAA must be submitted by the May deadline.

**RENEWAL PROCESS:** An SAR or ISIR is valid for one award year (July 1 to June 30 of the following year) and is NOT automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the NEW SAR or ISIR to the financial aid office.

**DISBURSEMENTS:** ABCSD issues financial aid disbursements each payment period via electronic funds transfer (EFT). **PROFESSIONAL JUDGMENT (PJ):** ABCSD may exercise professional judgment to accommodate a student with unique situations. PJ allows the Financial Aid Office to exercise its decision based on students who apply for federal student aid and have extenuating circumstances that do not conform with standardized policy or procedures. The financial aid decision is made on a student case-by-case basis. Additional documents to support your request will be required for consideration and are not guaranteed acceptance. ABCSD will not accept professional judgment decisions made by other schools or universities. The decision of ABCSD regarding professional judgment is final and cannot be appealed to the U.S. Department of Education. If there are unusual circumstances that have occurred, please discuss them confidentially with the Financial Aid Office.

**DEPENDENCY OVERRIDES:** ABCSD can override an applicant's dependency from dependent to independent. The Financial Aid Administrator has the authority to make the decision on a case-by-case basis involving documented unusual circumstances. The following Dependency Override include, but not limited to:

- Abandonment by parents
- An abusive family environment that threatens the student's health or safety
- The student being unable to locate their parents

**NOTE:** A parent's refusal or unwillingness to contribute to the student's education will not be acceptable for a Dependency Override.

#### DETERMINING FINANCIAL AID NEED

The information you report on the FAFSA® form when you apply for aid, is used in a formula established by US Congress that calculates your Student Aid Index. ABCSD utilizes the Free Application for Federal Student Aid (FAFSA®) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form on a Student Aid Report (SAR) with the calculation of the Student Aid Index (SAI).

Financial Aid need equals the difference between the stated costs of attending the college minus the SAI, and other resources available to the student. Stated cost includes, tuition, fees, books, supplies, room, board, transportation, personal and related expenses of a student based on their status with parent or away from parent.

The student aid index is based on the federal government the amount of funds the financial aid applicant and/or parents can contribute toward meeting educational costs.

**VERIFICATION SELECTION, COMMENT CODE SELECTION OF INFORMATION**

ABCSD has policies and procedures to verify specific applications selected by the U.S. Department of Education's Central Processing System (CPS). In rare instances, ABCSD's financial aid office may elect to verify the application data to resolve conflicting data that has been reported on the Free Application for Federal Student Aid (FAFSA®) or other documents provided in the student's file.

ABCSD has chosen to verify 100% of CPS selected applicants. Verification requirements (Flagged V1, V4, and V5) are for FSA recipients only. Beginning July 13, 2021, Verification Tracking Flag V1 is waived for 2021 – 2022, 2022 – 2023. As of July 1, 2024, Verification Flag V1 is no longer waived. ABCSD will request students'/parents' tax transcripts of the applicant selected for verification by the U.S. Department of Education ("ED"). The selected applicant may be asked to provide other pertinent documents to complete the verification requirement within thirty days (e.g., 1 month). CPS matches the application data to several databases, including the National Student Loan Data System (NSLDS) and other agencies to flag certain items.

Items which are questioned, must be resolved before disbursing Title IV funds to the student.

When the CPS processes an application, it uses the applicant's social security number, name, and date of birth to perform several edits with federal databases. Specific data match edits can result in comment code, or "C" code, indicated on the Institutional Student Information Record (ISIR) and must be researched and cleared before federal aid is processed for funding. If a "C" code is present on the ISIR, the financial aid office will request documentation from the student to determine eligibility. ABCSD's Office of Financial Aid requires resolution of any conflicting information for a Title IV applicant. Conflicting information is not exempt from verification requirements. ABCSD will not disburse FSA funds until the student has completed the required verification items and resolve conflicting data. No interim disbursement will be made. The school advises the student when the verification process is complete.

#### DURATION OF AWARD

Financial Aid awards are made in two payment periods per academic year. These funds are posted to the student's account for each payment when completed. To continue eligible for receiving an award, a student must:

- Be in good academic standing with the school.
- Continue to demonstrate financial need.
- Maintain satisfactory academic progress.
- Complete all required financial aid applications each award year.

Continued awards are contingent upon submitting a FAFSA® timely and completing the actual clock hours to receive the subsequent payment period.

#### GRADE LEVEL DEFINITION

Grade Level 1 - A student's eligibility in the Barbering/Cosmetology programs is considered first grade level until the student has completed 900 clock hours and 26 weeks.

Grade Level 2- A student's eligibility in the Barbering/Cosmetology programs may progress to the second-grade level year of funding, provided 900 clock hours and 26 weeks have been completed.

#### TUITION AND FEES REPAYMENT

Repayment: When a student receives Title IV funds for living expenses and then withdraws from the school, the Financial Aid Administrator will determine the credit balance amount before the return calculation. The credit balance will not be issued to the student within the 14-day deadline until the Financial Aid Office calculates the Return to Title IV (R2T4). Both the R2T4 and Institutional Refund calculations are processed first, then the final amount of the credit balance is determined by the Financial Aid and Business Offices. After those calculations are determined, the school has 14 days from the date Return to Title IV calculated to issue any credit balance due to the student, if applicable.

#### TREATMENT OF A CREDIT BALANCE

A credit balance is when the tuition and fees for the payment period are less than any Title IV payment credited to the student's account. In most cases, credit balances are released to the student or parent within 14 calendar days, unless the student request funds to be held until the end of the academic year. No more than \$200 of a credit balance will be held to cover subsequent academic year tuition and fees.

#### TREATMENT OF TITLE IV FUNDS IF THE STUDENT WITHDRAWS FROM PROGRAM

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the program. Simply stated, if the student withdraws before sixty (60) percent of the payment period of the program, the student would have earned the same percentage of aid received. For example, if the

student withdraws at fifty percent of the payment period, the student would have earned only 50 percent of the aid received or eligible to have received. To determine the percentage completed, the scheduled clock hours of class will be divided by the total hours in the payment period.

Unearned aid will be returned to the programs in accordance with the guidelines described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

### RETURN OF TITLE IV FUNDS

Special note to students receiving federal student aid Unsubsidized/Subsidized/PLUS/

Pell Grants or other aid: If you withdraw from school before the completion of the sixty (60) percent of the clock hours in any given payment period up to the last day of attendance, a calculation using the percentage of clock hours completed will be applied to the funds received or that could have been received that will determine the amount of the aid the student earned. Unearned funds would be returned to the federal student aid program in the order stated below by the school and/or the student. Funds owed by the student to the Federal Grant programs are limited to 50% of the award per grant program received. Sample Calculation completion of 25% of the payment period earns only 25% of the federal student aid disbursed or that could have been disbursed for the payment period. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV financial aid programs. A second calculation would take place to determine the amount earned by ABCSD during the payment period. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) the federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan. (2) the student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

### Timelines for Return of Funds

ABCSD completes a student's R2T4 calculation within 45 days of the College's date of determination. The College returns the amount of federal financial aid funds for which it is responsible as soon as possible, but no later than 45 days after the date the College determines the student has withdrawn.

## POSTWITHDRAWAL

Post withdrawal disbursements are required when the student amount disbursed is less than the amount earned, and the student is eligible for the funds. After determining the fund sources and amount of the post withdrawal disbursements, the student is notified by the College of the amount of Grant funds used to cover institutional charges incurred by the student, or the available amount from Grant funds for direct disbursement to the student or other educational related expenses. If loan funds are amount it wishes to utilize to cover education charges, the financial aid program where the funds are coming from, and the student will be reminded of their responsibility involved in receiving loan funds. The student or parent in the case of Parent PLUS will be given 14 days to respond and accept or reject part or all the loan funds available. The College will honor late acceptance only at its discretion. Once the calculation is finalized, the College will perform a second and different calculation using the next funds retained.

Title IV funds that the student has earned but have not yet been disbursed to the student shall be disbursed as follows:

Grants  must be disbursed within 45 days. Loans must be offered to the student within 30 days, allowing the student  (at least 14 days to respond) All post-withdrawal disbursements are applied to student account first, before any resulting credit balance is handled.

## **RETURN TO TITLE IV REFUND POLICY AND DISBTRIBUTION ORDER**

ABCSD adheres to the refund policy as published in the school catalog. The refund distribution order is applied as follows:

Without permission, the school excess proceeds will be sent directly to the student.

## **INSTITUTIONAL REFUND POLICY**

You may withdraw from ABCSD at any time after the cancellation period (described above in Student's Right to Cancel Par. #1) and receive a pro-rata refund within 45 days of withdrawal if you have completed 60% or less of the payment period of attendance, which is based on scheduled clock hours up through the last day of attendance. Your refund will not include your application fee (not to exceed \$100) or any opened/used books/tools/supplies. Any unopened/unused books/tools/supplies must be returned within 7 days of withdrawal for a full refund.

For the purposes of determining a refund under this section, a student's official cancellation or withdrawal shall occur on the earlier of the dates of any of the following circumstances:

- The student notifies the school of the student's withdrawal in writing.
-

**INSTITUTIONAL REFUND POLICY (Con't)**

The school terminates the student’s enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the school.

- The student has failed to attend class for fourteen (14) calendar days, as determined by monitoring clock hour attendance at least every thirty (30) days.
- Failure to return from a leave of absence. The date of the student’s withdrawal shall be the earlier of the scheduled date of return from the leave of absence or the date the student notifies the institution that the student will not be returning.

All refunds are calculated based on the student’s last date of attendance and are based on scheduled hours in the payment period, not actual hours attended in the payment period.

If the student’s tuition was paid from proceeds of a loan or third party, the refund shall be sent to the lender, third party or to the state or federal agency that guaranteed the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of benefits received, and any remaining amount shall be paid to the student.

If the student defaults on a federal or state loan, both the following may occur:

- a. The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- b. The student may not be eligible for any other federal student financial aid at another school or other government financial assistance at another school until the loan is repaid.

**HYPOTHETICAL REFUND**

## **STUDENT TUITION RECOVERY FUND**

**(Effective 4/1/20, STRF fee is \$0 cents per \$1000 of institutional charges).**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your Enrollment Agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Boulevard, Suite 225, Sacramento, CA 95834, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollecting may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

**CIP CODES:** US Department of Education regulations as of July 1, 2011, require the school to identify programs by Classification of Instructional Programs (CIP) Codes, with links to the US Department of Labor/Employment and Training Administration’s Occupational Information Network (O\*Net). CIP codes were developed by the US Department of Education’s National center for Education Statistics (NCES) to provide a method for tracking and reporting program activity that is common to all institutions. For more information regarding CIP Codes, visit [www.nces.ed.gov/ipeds/cipcode](http://www.nces.ed.gov/ipeds/cipcode).

**SOC CODES:** NACCAS policies as of July 1, 2011, require the school to identify programs by Standard Occupational Classification (SOC) Codes. For more information regarding SOC Codes, visit [www.bls.gov/SOC/](http://www.bls.gov/SOC/)

**O\*NET:** The O\*NET program is the nation’s primary source of occupational information. Central to the project is the O\*NET database, containing information on hundreds of standardized and occupation- specific descriptors. Utilizing the SOC Code, O\*Net provides easy to read career reports that include the most critical on the job tasks and skills. Job seekers can also find local salary information and training opportunities. For more information regarding O\*NET visit [www.onetcenter.org/overview.html](http://www.onetcenter.org/overview.html)

**STUDENTS DO NOT RECEIVE COMPENSATION:** Students who enroll in our programs will be learning in a practical teaching environment and will not be paid for any tasks they perform, including services performed on the school’s practical floor, cleaning, and selling products. Included in our curriculum are sanitation, health and safety aspects of the California Board of Barbering and Cosmetology Laws, Acts and Regulations. Our educators will instruct students to perform routine cleaning tasks in the student’s work area, including general cleaning and laundry. ALL of these sanitation, health and safety tasks prepare the student for employment and imitate the same tasks required in a licensed establishment compliant to any state inspection. All of our sanitation and cleaning lessons have a valid educational purpose by teaching the correct way to do these tasks and evaluating student performance. Our school has a professional janitorial service for daily cleaning.
