(CEC §94911(e)(1)(2)(3))

Cancellation shall occur when you give written notice of cancellation addressed to CE Program Director and sent by US certified mail, facsimile, or hand delivered. Project Heartbeat follows refund guidelines set by the California Bureau for Private Postsecondary Education in accordance with 5 CCR 71750. You have the right to withdraw from a course of instruction at any time. If you withdraw from a course of instruction after the period allowed for cancellation of the agreement set forth above, Project Heartbeat will issue a pro rata refund based on the amount owed for the portion of the educational program provided subtracted from the amount paid by the student calculated as follows: total institutional charge divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend prior to withdrawal, less the amount paid by the student. All amounts paid in excess of what is owed as calculated above shall be refunded within 45 days of the student's withdrawal or cancellation.

The refund will be prorated if the student withdraws after the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds. If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund.
