Student Anti-Harassment, Sexual Misconduct and Sexual Violence Policy

ROADMASTER DRIVERS SCHOOL intends to provide an educational environment that is free from harassment of Students based on sex, race, color, religion, national origin, age, sexual orientation, gender identity, disability, veteran, marital status, or any other characteristic protected by applicable law. This policy prohibits any Student, employee, or visitor from harassing another Student, employee, or visitor at any Roadmaster Drivers School location on the basis of sex, race, color, religion, national origin, age, sexual orientation, gender identity, disability, or veteran or marital status.

SEXUAL VIOLENCE

Sexual violence is defined as a sexual act committed against someone without that person's freely given consent. Sexual violence is divided into the following types:

- Completed or attempted forced penetration of a victim.
- Completed or attempted alcohol/drug-facilitated penetration of a victim.
- Completed or attempted forced acts in which a victim is made to penetrate a perpetrator or someone else.
- Completed or attempted alcohol/drug-facilitated acts in which a victim is made to penetrate a perpetrator or someone else.
- Non-physically forced penetration which occurs after a person is pressured verbally or through intimidation or misuse of authority to consent or acquiesce.
- Unwanted sexual contact.
- Non-contact unwanted sexual experiences.

CONSENT

Sexual activity requires consent, which is defined as voluntary, positive agreement between the participants to engage in specific sexual activity.

Communicating consent:

- Consent to sexual activity can be communicated in a variety of ways, but one should presume that consent has not been given in the absence of clear, positive agreement.
- While verbal consent is not an absolute requirement for consensual sexual activity, verbal communication prior to engaging in sex helps to clarify consent. Communicating verbally before engaging in sexual activity is imperative. However potentially awkward it may seem, talking about your own and your partner's sexual desires, needs, and limitations provide a basis for a positive experience.
- Consent must be clear and unambiguous for each participant at every stage of a sexual encounter. The absence of "no" should not be understood to mean there is consent.
- A prior relationship does not indicate consent to future activity.
- A person who is asleep or mentally or physically incapacitated, either through the effect of drugs or alcohol or for any other reason, is not capable of giving valid consent.
- The use of alcohol or drugs may seriously interfere with the participants' judgment about whether consent has been sought and given.

DRUG OR ALCOHOL FACILITATED SEXUAL VIOLENCE

In cases of drug-facilitated sexual assault, survivors often blame themselves. Remember—you are not to blame. Someone took advantage of you, and that is not your fault.

What is drug-facilitated sexual assault?

Drug-facilitated sexual assault occurs when alcohol or drugs are used to compromise an individual's ability to consent to sexual activity. These substances make it easier for a perpetrator to commit sexual assault because they inhibit a person's ability to resist and can prevent them from remembering the assault. Drugs and alcohol can cause diminished capacity, a legal term that varies in definition from state to state.

You may have heard the term “date rape drugs” to refer to substances that can aid a perpetrator in committing sexual assault. Drug-facilitated sexual assault can happen to anyone, by anyone, whether the perpetrator is a date, a stranger, or someone you’ve known for a while.

How does a perpetrator use drugs and alcohol?

Drug-facilitated sexual assault occurs in two ways: when the perpetrator takes advantage of a victim’s voluntary use of drugs or alcohol or when the perpetrator intentionally forces a victim to consume drugs without their knowledge.

Some victims blame themselves for drinking too much at a party or putting themselves in a potentially dangerous situation. It’s important to remember that if a sexual assault occurs under these circumstances, it is still not your fault. The blame falls on the perpetrator who took advantage of you.

A perpetrator may intentionally drug a victim, resulting in a situation where it is easy to manipulate the circumstances and commit an assault. Perpetrators use a variety of substances to incapacitate a victim.

- Alcohol is the most commonly used substance in drug-facilitated sexual assault.
- Prescription drugs like sleep aids, anxiety medication, muscle relaxers, and tranquilizers may also be used by perpetrators.
- Street drugs, like GHB, rohypnol, ecstasy, and ketamine can be added to drinks without changing the color, flavor, or odor of the beverage.

How will I know if I’ve been drugged?

Depending on the substance, the initial effects of a drug can go unnoticed or become apparent very quickly. Being familiar with the warning signs can help alert you to the possibility of drugs in your system. If you notice any of the following warning signs in yourself or someone you know, reach out to someone you trust immediately. If you notice these symptoms in another person, you can take steps to keep that person safe:

- Nausea.
- Loss of bowel or bladder control.
- Difficulty breathing.
- Feeling drunk when you haven’t consumed any alcohol or very limited amounts.
- Sudden increase in dizziness, disorientation, or blurred vision.
- Sudden body temperature change that could be signaled by sweating or chattering teeth.
- Waking up with no memory, or missing large portions of memories.

RISK EDUCATION AND PERSONAL PROTECTION

It is important to understand the risks associated with certain behaviors as they related to Sexual Violence and Sexual Harassment both on and off campus. The following should be considered in guarding against potential incidences of Sexual Violence and Sexual Harassment:

- Be aware of your surroundings at all times. Do not venture into unknown or unsafe areas.
- Inform friends or family of your plans and make a point to check-in with them on a regular basis.
- Avoid consuming any amount of alcohol which would impair your faculties or judgment.
- Do not accept an open container of food or drink.
- If you feel uncomfortable or unsafe in any situation, do not be afraid to contact the School Manager or local law enforcement for help.
- Consider keeping a noise making device such as a whistle or horn with you at all times to alert others in case you are in distress.
- Contact local law enforcement or the women’s crisis center for additional information on steps you can take to guard against Sexual Violence or Sexual Harassment.

FORMS OF PROHIBITED HARASSMENT AND SEXUAL MISCONDUCT

- A. Any verbal, physical or other conduct based on a person's sex, race, color, religion, national origin, age, disability, or veteran or marital status that has the purpose or effect of threatening or intimidating or coercing another, or impairing academic performance, career development, or any other aspect of education is prohibited harassment. This policy not only prohibits instructor harassment of students, it also prohibits misconduct by any member of our educational community toward an instructor, staff member, or a fellow student.
- B. Prohibited harassment (including sexual harassment) does not refer to behavior or occasional compliments of a socially acceptable nature. However, some behavior that is acceptable in a social setting may not be appropriate in the workplace or school setting. It refers to behavior that is not welcome, that is personally offensive, that fails to respect the rights of others, that lowers morale and, therefore, interferes with academic performance.
- C. The victim does not have to be the person toward whom the unwelcome conduct is directed, but may be someone who is affected by such conduct when it is directed toward another person. For example, the harassment of an employee or student may create for another employee or student an intimidating, hostile, or offensive environment.
- D. Any act of "quid pro quo" ("something for something") sexual harassment, where a student, supervisor, instructor, or other employee with the power or authority to grant or withhold benefits or privileges, demands sexual favors in exchange for benefits or privileges. No student or employee should so much as imply that another student or employee's "cooperation" with sexual demands will have any effect on academic performance, career development, or any other aspect of education.
- E. Unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when submission to or rejection of such conduct is used as the basis for decisions or has the purpose or effect of unreasonably interfering with an individual's performance or creating an intimidating or hostile environment.
- F. Examples of conduct that is prohibited by this policy include, but are not limited to, the following:
 - Explicit or implicit demands for sexual favors in return for benefits or privileges.
 - Unwelcome letters, e-mail communications, or telephone calls of a sexual nature.
 - Distribution or display of materials of a sexual nature, including posters, screen savers or computer graphics, calendars, or pictures of men or women who are dressed in a suggestive manner.
 - Using Roadmaster Drivers School's facilities, time, or resources in relation to any form of entertainment which tends to present men or women as sexual objects.
 - Physical assaults of a sexual nature or coerced sexual contact.
 - Unwelcome and deliberate touching, leaning over, cornering, pinching, or other untoward sexual behavior.
 - Unwelcome sexually suggestive looks or gestures.
 - Unwelcome pressure for sexual favors or dates.
 - Unwelcome teasing, jokes, remarks, innuendos, insults, questions, or vulgar language that relates to or is based on a person's sex. Students and staff are asked to be mindful of others around them. Comments not intended as harassment, and not perceived as such by the person to whom they are directed, may be offensive and unwelcome to another employee or student who overhears them.
 - Affording favorable treatment to those who grant sexual favors, or unfavorable treatment to those who refuse to submit to or reject requests for sexual favors.
 - Drug and Alcohol facilitated sexual misconduct whether consumed voluntarily or involuntarily by either the victim or the assailant.
 - This policy prohibits sexual harassment of people of the opposite sex (male toward female, female toward male) or people of the same sex (male toward male, female toward female). This policy not only prohibits instructor sexual harassment of students, it also prohibits misconduct by any member of our educational community toward an instructor, staff member, or a fellow student.

STUDENT RESPONSIBILITIES FOR REPORTING PROHIBITED HARASSMENT, INCLUDING SEXUAL HARASSMENT AND SEXUAL VIOLENCE

- A. It is the duty and obligation of all Students to comply with this policy and to report conduct that they believe to be prohibited harassment. Sexual Violence can result in the transmission of disease and/or pregnancy. In addition to obtaining preventative treatment, it is important for the victims of sexual violence to report the incident immediately so that evidence of the assault can be collected and preserved. As such, any violations of this policy or instances of sexual violence must be reported immediately.

- B. Any Student who believes that he or she is being harassed is encouraged to confront the person or persons responsible for causing the offense. Often the simplest and most effective way to put an end to harassing behavior is to tell the harasser that the behavior is offensive and unwelcome and to stop.
- C. If the misconduct continues, or if the Student feels uncomfortable about confronting the harasser, he or she should bring the improper conduct to the attention of the appropriate member of management using the following complaint procedure:
 - Any Student who believes that he or she is being harassed should promptly report her/his concerns to:
 - The Office Administrator, and/or
 - The School Manager.
 - Any Student may report any concerns or violations of this policy directly to the corporate headquarters of Roadmaster Drivers School by contacting (727)342-6420 and requesting to speak with the Compliance Director.
 - It is the responsibility of each Supervisor within his or her area of control to report Student complaints in writing to the School Manager immediately.
 - Roadmaster Drivers School will investigate all harassment complaints including talking with witnesses as appropriate, and in doing so will make every effort to treat the complaint and resulting investigation discreetly and as confidentially as possible, while still investigating thoroughly. School staff will notify the Corporate Office before beginning and investigation.
 - If the report of prohibited harassment is substantiated, Roadmaster Drivers School will take corrective action it deems appropriate. Based on the severity of the offense in the case of an employee violator, the action may include, but is not limited to, oral or written reprimand, demotion, suspension, or termination. Based on the severity of the offense in the case of a Student violator, the action may include, but is not limited to, oral or written reprimand, suspension, or expulsion.
 - It is important to recognize that the victim of harassment or sexual misconduct is not at fault.
- D. If Students have any questions regarding sexual harassment in the School/externship site or this policy, they should contact the Office Administrator or School Manager.
- E. The law prohibits retaliation for reporting any form of illegal harassment, or for filing a complaint, testifying, assisting, or participating in any manner in an investigation, proceeding, or hearing regarding any form of illegal harassment. Roadmaster Drivers School will take appropriate measures to ensure that no such retaliation occurs.
- F. Continued compliance with these policies will assure that the learning environment at Roadmaster Drivers School remains harassment free and that employees and Students treat each other with mutual respect.

CAMPUS SEXUAL ASSAULT VICTIMS' BILL OF RIGHTS

In the event of an allegation of Sexual Violence, Assault or Harassment, the following rights shall be afforded to the parties involved during the course of the investigation:

- The accuser and accused shall have the same opportunity to have others present during questioning and investigation.
- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Survivors shall be informed of their options to notify law enforcement.
- Survivors shall be notified of options for changing academic and living situation.

CONCERNS AND CONTACTS

All Students are reminded that sexual misconduct can result in the transmittal of sexual diseases and perhaps pregnancy. Immediate attention from a medical facility is extremely important for cases of a sexual nature in particular. Roadmaster has a list of community services and agencies to assist individuals who may be the victims of sexual assault or sexual misconduct. Lists are available from the School Manager. Victims may always contact the Compliance Department/Title IX Coordinator, (727)342-6420 for additional assistance.

FALSE CLAIMS

As harassment charges are taken with tremendous concern, any person who knowingly makes a false and fraudulent claim of harassment may be subject to disciplinary action up to and including expulsion from Roadmaster Drivers School.

STUDENT TUITION RECOVERY FUND

"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834. 916-574-8900 or 888-370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of noncollection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."
