Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel an enrollment agreement in any manner through the first day of the course, or the seventh day after signing the enrollment agreement, whichever is later (the "Cancellation Period") and obtain a full refund of all monies paid, less the nonrefundable application fee of \$75.

Students canceling after the seven-day Cancellation Period will receive a refund of all amounts paid, less the STRF fee, which is currently two dollars fifty cents (\$2.50) per one thousand dollars (\$1,000) of institutional charges and applies to California residents or students enrolled in a residency program. The written notice of cancellation may be given by e-mail, fax, or postal service (in which case, the effective date begins when the letter is deposited in the mail properly addressed with postage prepaid)

Tuition Refund

Campus English Academy shall refund 100 percent of the amount paid for institutional charges, less a \$75 application fee, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later. After this date, students who have completed a portion of the period of attendance shall receive a pro rata refund. The pro rata refund is calculated by taking the total amount of money paid by the student and subtracting the daily charge for program (\$80/day) multiplied by the number of days the student attended or was scheduled to attend prior to withdraw.

Sample Calculation

Total number of days student attended /scheduled to attend	Daily Attendance Rate (\$80/day) multiplied by number of days student attended / scheduled to attend	Total amount paid to the school (\$1,600/term, 80 days per term)	Refund Amount Due
50	\$4,000	\$4,800 (3 terms paid)	\$800

For the purposes of determining the student's obligation for the time attended, the student will be considered to have withdrawn from the program when any of the following occurs, unless the Admissions Director determines a different course of action:

- The student notifies the school of the withdrawal.
- The school terminates the student's enrollment.
- The student fails to attend classes for a three-week period. In this case, the date of withdrawal will be the last date of attendance.
- The student fails to submit three consecutive lessons or fails to submit a completed lesson required for home study or correspondence within 60 days of its due date.
- The student has not responded to communication in any form from the school for four months.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund. If the student has received federal financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid funds.

If the student defaults on a federal or state loan, both the following may occur:

- 1) The federal or state government or a loan guarantee agency may take action against the student, including applying any income tax refund to which the person is entitled to reduce the balance owed on the loan.
- 2) The student may not be eligible for any other federal student financial aid at another institution or other government financial assistance until the loan is repaid
