- Student fails to attend classes for a two-week consecutive weeks without notify school
- Student fails to return as schedule from an approved leave of absence
- Student fails to meet satisfactory academic progress
- Student fails to complete the program within 133% of the maximum time frame.
- Student fails to make payment according the tuition schedule in the enrollment agreement

- Student uses drugs or alcohols in school

Student is terminated by the institution; one hundred dollars (\$100) of registration fee will be applied.

Cancellation/Termination/Withdrawal Procedure:

For applicants who cancel enrollment, withdraw from enrollment or termination by school, a fair and equitable settlement will apply. The following policy will apply to all terminations for any reasons, by either party, including student decision, course or program cancellation, or school closure. Any monies due the applicant or students shall be refunded with 45 days of official cancellation or withdrawal. Official cancellation or withdrawal shall occur on the earlier of the dates that:

1. An applicant is not accepted by the school. The applicant shall be entitled to a refund of all monies paid
2. Cancellation shall occur when you give written notice of cancellation at the address of the school shown on the top of the front page of the Enrollment Agreement. You can do this by mail, hand delivery, or telegram. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage paid. A withdrawal may be effectuated by the student’s written notice or by the student’s conduct, including, but not necessarily limited to, a student’s lack of attendance. Institutions shall refund all monies paid for institutional charges, less registration fee in the amount of one hundred dollars (\$100.00), if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.
3. Date when you notify the school of your intent to withdraw or the actual date of withdrawal.
4. Date when you fail to attend classes for a 14 days. In this case, the date of withdrawal shall be deemed to be the last date of attendance

5. Date when you failed to return as schedule from an approved leave of absence. The withdrawal date will be the last date of attendance or the date student notifies the institution that the student will not be returning.
6. Date when the school terminates your enrollment agreement. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 days.)
7. Official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.

For student who enroll and begin classes but withdraw prior to course completion (after the cancellation period allowed), the refund calculation will be applied as follow, all refunds are base on scheduled hours:

The refund policy for student complete 60% or less of the period of attendance, shall be a prorata refund. **Hypothetical Refund Example in accordance to the state prorata policy for student leaves the institution prior to completing 60% of the program.** Assume that a student, upon enrollment in a 1000 hours of the program, pays \$10,500 for tuition, \$100.00 for registration, and \$700.00 for books and supplies as specified in the enrollment agreement and withdraws at scheduled to complete 400 hours. The prorata refund to the student would be \$6,300.00 based on the calculation stated below.

Percentage scheduled to complete: Scheduled hours to complete (400 hours) divided by total hours in program (1000 hours) = 40%

Tuition prorated cost: Total tuition charged in contract (\$10,500) multiplied by percent schedule to complete (40%) = \$4,200

Total School Retains: Tuition prorated cost(\$4,200) + registration fee (\$100) + supplies(\$700) = \$5,000

Total Refund: Total amount student paid (\$11,300) - Total school retains (\$5,000) = \$6,300

For student completed more than 60% of the period of attendance, the institution will retain 100% of tuition.

To determine the percentage completed, the number of hours the student was scheduled to complete in the period of attendance will be divided by the total hours in the period of attendance. In any event you will never be charged for more than the equipment charges stated in the contract. For a list of these charges, see the list on the first page. **IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTEND, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF INSTITUTION'S DETERMINATION THAT THE STUDENT WITHDREW. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, AND THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.**

IF THE STUDENT HAS RECEIVED FEDERAL STUDENT FINANCIAL AID FUNDS, THE STUDENTS IS ENTITLED TO A REFUND OF MONEYS NOT PAID FROM FEDERAL STUDENT FINANCIAL AID PROGRAM FUNDS.

- 1 All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 calendar days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

- 2 If the program is canceled subsequent to a student's enrollment, and before instruction in the program has begun, the school will provide a full refund of all monies paid.
- 3 If the school cancels a program or if the school permanently closed and ceases to offer instruction after students have enrolled and instruction has begun, the school must make arrangements for students and provide a pro-rata refund of tuition.

The school maintains evidence that institution refunds are issued to the recipient in a timely manner, such as, cancelled check or documentation that funds were disposed of in accordance with applicable federal or state regulation.

Equipment Policy

Once you receive equipment, including books or other materials, it is yours to keep without further obligation. **NOTE: Beauty supplies are not returnable due to sanitary reasons.** Therefore, once you accept the supplies, the cost will be charged to your account.

Title IV Refund Policy

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws at or less than the sixty percent (60%) of the payment period in course, the students would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent (50%) of the payment period, the student would have earned only 50% of the aid received or eligible to receive. To determine the percentage completed, the number of hours the student was scheduled to complete hours in the payment period will be divided by the total hours in the same payment period. Unearned aid will be returned to the programs in accordance to the guidance described in the regulations. All Title IV funds that the institution must return will be made no later than 45 calendar days after the date the school determines that the student withdrew. Withdrawing students will be responsible for institutional charges not covered by student aid.

If student completed more than 60% of a payment period, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the benefits received. Any remaining amount will be paid to you.

Student may be terminated for failure to comply with school rules and regulations governing conduct attendance, satisfactory academic progress or failure to honor financial obligation.

7. Official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the school administrator or owner in person.

For student who enroll and begin classes but withdraw prior to course completion (after the cancellation period allowed), the refund calculation will be applied as follow, all refunds are base on scheduled hours:

The refund policy for student complete 60% or less of the period of attendance, shall be a prorata refund. **Hypothetical Refund Example in accordance to the state prorata policy for student leaves the institution prior to completing 60% of the program.** Assume that a student, upon enrollment in a 1000 hours of the program, pays \$10,500 for tuition, \$100.00 for registration, and \$700.00 for books and supplies as specified in the enrollment agreement and withdraws at scheduled to complete 400 hours. The prorata refund to the student would be \$6,300.00 based on the calculation stated below.

Percentage scheduled to complete: Scheduled hours to complete (400 hours) divided by total hours in program (1000 hours) = 40%

Tuition prorated cost: Total tuition charged in contract (\$10,500) multiplied by percent schedule to complete (40%) = \$4,200

Total School Retains: Tuition prorated cost(\$4,200) + registration fee (\$100) + supplies(\$700) =\$5,000

Total Refund: Total amount student paid (\$11,300) - Total school retains (\$5,000) = \$6,300

For student completed more than 60% of the period of attendance, the institution will retain 100% of tuition.

To determine the percentage completed, the number of hours the student was scheduled to complete in the period of attendance will be divided by the total hours in the period of attendance. In any event you will never be charged for more than the equipment charges stated in the contract. For a list of these charges, see the list on the first page. **IF THE AMOUNT THAT YOU HAVE PAID IS MORE THAN THE AMOUNT THAT YOU OWE FOR THE TIME YOU ATTEND, THEN A REFUND WILL BE MADE WITHIN 45 DAYS OF INSTITUTION'S DETERMINATION THAT THE STUDENT WITHDREW. IF THE AMOUNT THAT YOU OWE IS MORE THAN THE AMOUNT THAT YOU HAVE ALREADY PAID, AND THEN YOU WILL HAVE TO MAKE ARRANGEMENTS TO PAY IT.**

IF THE STUDENT HAS RECEIVED FEDERAL STUDENT FINANCIAL AID FUNDS, THE STUDENTS IS ENTITLED TO A REFUND OF MONEYS NOT PAID FROM FEDERAL STUDENT FINANCIAL AID PROGRAM FUNDS.

- 1 All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 calendar days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family or other documented mitigating circumstances, a reasonable and fair refund settlement will be made.

- 2 If the program is canceled subsequent to a student's enrollment, and before instruction in the program has begun, the school will provide a full refund of all monies paid.
- 3 If the school cancels a program or if the school permanently closed and ceases to offer instruction after students have enrolled and instruction has begun, the school must make arrangements for students and provide a pro-rata refund of tuition.

The school maintains evidence that institution refunds are issued to the recipient in a timely manner, such as, cancelled check or documentation that funds were disposed of in accordance with applicable federal or state regulation.

Equipment Policy

Once you receive equipment, including books or other materials, it is yours to keep without further obligation. **NOTE: Beauty supplies are not returnable due to sanitary reasons.** Therefore, once you accept the supplies, the cost will be charged to your account.

Title IV Refund Policy

Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws at or less than the sixty percent (60%) of the payment period in course, the students would have earned the same percentage of aid received. For example, if the student withdraws at fifty percent (50%) of the payment period, the student would have earned only 50% of the aid received or eligible to receive. To determine the percentage completed, the number of hours the student was scheduled to complete hours in the payment period will be divided by the total hours in the same payment period. Unearned aid will be returned to the programs in accordance to the guidance described in the regulations. All Title IV funds that the institution must return will be made no later than 45 calendar days after the date the school determines that the student withdrew. Withdrawing students will be responsible for institutional charges not covered by student aid.

If student completed more than 60% of a payment period, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

If any portion of your tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or to the agency that guaranteed the loan, if any. Any remaining amount of refund will first be used to repay any student financial aid programs from which you received benefits, in proportion to the benefits received. Any remaining amount will be paid to you.

Student may be terminated for failure to comply with school rules and regulations governing conduct attendance, satisfactory academic progress or failure to honor financial obligation.

Total School Retains: Tuition prorated cost(\$4,200) + registration fee (\$100) + supplies(\$700) =\$5,000

- 1 All refunds will be calculated based on the students last date of attendance. Any monies due a student who withdraws shall be refunded within 45 calendar days of a determination that a student has withdrawn, whether officially or unofficially.
