STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. If the student fails to return the Study Materials in new, unopened condition, within 30 days following the date of the student's written request for cancellation, Animal Behavior College, Inc. may offset the tuition refund by the amount charged for the Study Materials.

WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. Refund of the Technology Fee is solely based on the number of stages student had access to prior to cancellation. Animal Behavior College, Inc., will pay any refund due within 45 days following confirmation of the student's written withdrawal. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.
- c) The student has failed to submit three consecutive lessons or has failed to submit a completed lesson within 60 days of its due date. For the purpose of this paragraph, the date of the student's withdrawal shall be deemed to be the 61st day after the last completed lesson.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. If the student fails to return the Study Materials in new, unopened condition, within 30 days following the date of the student's written request for cancellation, Animal Behavior College, Inc. may offset the tuition refund by the amount charged for the Study Materials.

WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. Refund of the Technology Fee is solely based on the number of stages student had access to prior to cancellation. Animal Behavior College, Inc., will pay any refund due within 45 days following confirmation of the student's written withdrawal. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. If the student fails to return the Study Materials in new, unopened condition, within 30 days following the date of the student's written request for cancellation, Animal Behavior College, Inc. may offset the tuition refund by the amount charged for the Study Materials.

WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. Refund of the Technology Fee is solely based on the number of stages student had access to prior to cancellation. Animal Behavior College, Inc., will pay any refund due within 45 days following confirmation of the student's written withdrawal. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.
- c) The student has failed to submit three consecutive lessons or has failed to submit a completed lesson within 60 days of its due date. For the purpose of this paragraph, the date of the student's withdrawal shall be deemed to be the 61st day after the last completed lesson.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. If the student fails to return the Study Materials in new, unopened condition, within 30 days following the date of the student's written request for cancellation, Animal Behavior College, Inc. may offset the tuition refund by the amount charged for the Study Materials.

WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. Refund of the Technology Fee is solely based on the number of stages student had access to prior to cancellation. Animal Behavior College, Inc., will pay any refund due within 45 days following confirmation of the student's written withdrawal. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.
- c) The student has failed to submit three consecutive lessons or has failed to submit a completed lesson within 60 days of its due date. For the purpose of this paragraph, the date of the student's withdrawal shall be deemed to be the 61st day after the last completed lesson.

If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.
- c) The student has failed to submit three consecutive lessons or has failed to submit a completed lesson within 60 days of its due date. For the purpose of this paragraph, the date of the student's withdrawal shall be deemed to be the 61st day after the last completed lesson.

STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. STUDENT'S RIGHT TO CANCEL

Students have the right to cancel this Agreement from a course of instruction at any time. If cancellation from the course of instruction is after the period allowed for cancellation of the agreement, Animal Behavior College, Inc. may pay a refund. This cancellation period extends until midnight of the seventh business day following your password protected access to the Animal Behavior College, Inc., online Study Materials. Cancellation shall occur when you give written notice of cancellation to Steven Appelbaum, Director, 27509 Avenue Hopkins, Valencia, CA 91355. You can do this by mail, hand delivery, email or facsimile. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that you no longer wish to be bound by this Agreement.

Study Materials are charged separately and may be returned for refund if they are in new, unopened condition and returned to Animal Behavior College, Inc. within 30 days following the date of the student's written request for cancellation. Animal Behavior College, Inc. shall refund the amount charged for the Study Materials upon receipt of the Study Materials in new, unopened condition. If the student fails to return the Study Materials in new, unopened condition, within 30 days following the date of the student's written request for cancellation, Animal Behavior College, Inc. may offset the tuition refund by the amount charged for the Study Materials.

WITHDRAWAL FROM COURSE-Students have the right to withdraw from a course of instruction at any time. If a student withdraws from the course of instruction after the period allowed for cancellation of the agreement, the student may be eligible for a refund, less a registration fee not to exceed \$75.00. Refund of the Technology Fee is solely based on the number of stages student had access to prior to cancellation. Animal Behavior College, Inc., will pay any refund due within 45 days following confirmation of the student's written withdrawal. If the student paid for the course, the refund will be paid to the student. If an agency or third party paid for the course, the refund will be paid to the agency or third party. The student is entitled to a refund not paid from the federal or state student financial aid program funds.

The student is obligated to pay for the educational services rendered. Any refund shall be determined by a) the dollar amount paid for tuition, b) the number of stages not yet completed and c) any amount owed for Study Materials never received or any amount owed for Study Materials returned in new, unopened condition. The eligible tuition refund amount is calculated by taking the contracted tuition amount, subtracting any payment plan adjustment, then dividing that dollar amount by the total number of stages in the program, and then multiplying that amount by the total number of stages not yet completed.

No refund is required for any student who withdraws or is dismissed after completing 60% of the potential lessons of instruction. If the amount that the student owes is more than the amount that the student has already paid, the student is responsible for that outstanding balance and agrees to make arrangements for re-payment that are satisfactory to ABC.

The student is deemed to have withdrawn from the course when any of the following occurs:

- a) The student notifies Animal Behavior College, Inc., of the withdrawal in writing.
- b) Animal Behavior College, Inc. terminates the student's enrollment.
- c) The student has failed to submit three consecutive lessons or has failed to submit a completed lesson within 60 days of its due date. For the purpose of this paragraph, the date of the student's withdrawal shall be deemed to be the 61st day after the last completed lesson.
