If a student transferred to another institution before returning to San Bernardino Beauty College, Inc., those hours and operations earned may also be credited to the student for re-entry at the discretion

Applicants with previous hours from another California school who wish to enroll at San Bernardino Beauty College must submit a written request during the admission process along with proof of training and a record of withdrawal from the previous California school. Disclosure and Retention of Student Records (FERPA)

Only students, and parents or guardians of dependent minors, have the right to inspect, review, and challenge information contained in the institution's student records. However, a staff member must be present during the process to provide clarification and/or answers to related questions raised during the review of the student's file. Educational records are defined as files, materials, and documents that contain information directly related to the student's period of enrollment that is maintained by the institution. Students are not entitled to inspect the financial records of their parents.

Written consent from the student and/or parents is required before educational records may be disclosed to any party with the exception of accrediting commissions or governmental agencies so authorized by law.

San Bernardino Beauty College will keep all student files maintained for five (5) years from completion or withdrawal. After that time, transcripts/Proof of Training are scanned and stored indefinitely on the premises.

Statement of Non-Discrimination

San Bernardino Beauty College does not discriminate on the basis of race, ethnic origin, color, religion, sex, disability, financial status, age, area of origin, or residence in its admissions, staffing, instruction, and/or graduation policies.

Disabled Visitors/Wheelchair Access

Access for disabled people to the institution facility is available at the College. This Institution does not offer special facilities or programs for disabled students.

Health and Physical Considerations

Generally, a professional in the Barbering, Cosmetology, Manicuring, Esthetics, Massage Therapy, and Holistic Practice fields must be in good physical health since he/she will be working in direct contact with customers.

These related fields of study require a great deal of standing, walking, pushing, bending, and stretching for extended periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves these extensive physical demands. We promote the acceptance of students with physical

limitations or disabilities if these students (their parents and physician) believe they can fulfill the training demands. This Institution does not offer special facilities or programs for disabled students.

Orientation

All new students are required to attend an orientation prior to their first class. During the orientation, you will be introduced to your campus staff and learn about our policies, expectations, and student services.

Scholarships

At the discretion of the School Director of San Bernardino Beauty College, a scholarship can be awarded based on the circumstances of an individual student.

Attendance, Tardy, Make-Up and Termination Policies

Attendance must be maintained at an average of 67 percent of the scheduled attendance if the student expects to complete the course of study within the maximum timeframe stated in the Satisfactory Academic Progress Policy. An absence may be excused by calling in the same day prior to the beginning of the class. Students are required to make up lessons and exams missed due to absences. **If the student is absent for two (2) consecutive weeks/fourteen (14) days (in a row)** the school will terminate him/her. The instructor in charge will review excessive tardiness or absences with the student to determine possible corrective action.

Attendance Status

A full-time student attending a clock-hour program is expected to complete 900 clock hours in a period of not less than 26 instructional weeks attending a minimum of 24 clock hours per week. A half-time or less than half-time enrollment is calculated based on the student workload in a payment period.

Currently offers distance education through Milady MindTap. Students are allowed to complete up to 50% of their program hours via distance education.

Time Clock Credit Policy/Theory hours & Practice Operations/Credit Procedure

On-Campus

Students at San Bernardino Beauty College record their attendance on program-specified time/operations cards by entering their time to clock IN at the start of the day, OUT for a lunch period, IN when returning to class, and OUT at the end of the class day. Student on-campus hours are Mondays through Friday from 9:00 am - 3:00 pm. Students receive credit for a task/operation/project completed after each action is verified by an instructor. Students must add up their theory hours and practical operations each day. At the end of each week, all earned and validated credits will be carried over to the next week's timecard.

Online

Students enrolled in the hybrid distance education programs must complete 50% of their program hours online. The online program is asynchronous. Student hours and theory exam grades will be automatically calculated by Milady Cima. No overlapping of hours (On-Campus, online) is allowed. Overlapped hours will be removed. Academic achievement earned via distance education may not be accepted for reciprocity or eligible for licensure in other states outside of California.

- **Hardware Requirements:** Students will need either a computer (desktop or laptop) or tablet with internet access.

- **Software Requirements:** Windows or Mac OS with the following browsers: Google Chrome or Microsoft Edge.

website: Miladycima.com:

- Create an Account with an Access Code from MiladyCIMA. Login by student's email and password
- Must be engaged in the digital textbooks; turn pages, do activities, quizzes, and chapter tests for hours to count.
- The time you see displayed, is not what you will receive. Audited hours will remove all periods of time of inactivity and/or dead time or any hours earned during weeks a student does not come on campus.

Leave Of Absence Policy (LOA)

Occasionally, students may experience extended personal problems, the death of a family member, or medical or other problems, which make it difficult to attend classes. The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. The student must request a Leave of Absence in advance and in writing unless unforeseen circumstances prevent the student from doing so (For example, if the student was injured in a car accident.). In such a case, the LOA start date will be determined to be the first day the student was unable to attend due to an accident and the school will document the reason for the LOA and obtain the request from the student at a later date. The written request must be approved by the School Director. The written request must include the start and end date of the leave of absence, and must include the reason for LOA, and must include the student's signature. Students cannot take more than 180 days in any 12-month period. A student may only take a leave of absence if they are meeting SAP at the time of the request. A student **MUST** request any additional time needed before their LOA return day in writing. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 14 days. Students will not be assessed additional tuition charges while on their Leave of absence. The student granted an LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

Students returning from an authorized LOA will retain all credit for clock hours and work projects completed and will return to the academic progress status they held. If the student fails to return from a LOA, the withdrawal date determination date would be the date the student did not return and the refund would be calculated based on the date the student began LOA. Students must be reasonably certain of their intent to return. The institution must extend the student's contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement must be initialed by all parties or an addendum must be signed and dated by all parties. The student must follow the institution's policy in requesting a LOA.

Graduation Requirements

When a student has completed the required theory hours and practical operations in their chosen program of study with a GPA of "C" (70%) or better, he or she is awarded a Certificate of Completion of his or her graduation.

Please be advised that completion documents (diploma, transcripts, Proof of Training) will be withheld until all monies owed to the school are paid in full or arrangements have been made with the Director.

Licensure Requirements for Applicable Courses

Applicants for the state licensing exam must be at least 17 years old and have completed their program's clock hours, theory hours, and practical operations as required by the State of California. In addition, students must take and pass (70% or better) the state exam to be issued a license. Licensure is a requirement in order to work in a beauty, barber, or spa establishment. NOTE: Massage Therapists and Holistic Practitioners do not require licensure at this time. The admissions office will help you with the completion and submission of your exam application.

Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to enrollment. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

All evaluations must be completed within seven (7) business days.

The institution will develop an academic plan for the student that, if followed, will ensure that the student is able to meet the institution's satisfactory academic progress requirements by a specific point within the maximum timeframe established for the student.

Academic Years

The school follows the same format as Title IV regulations which define an academic year to be equivalent to 900 clock hours and 38 weeks.

Evaluation Periods

Students are evaluated for **Satisfactory Academic Progress (SAP)** based on actual hours as follows:

	Academic Year 1		Academic Year 2
	1st SAP	2nd SAP	3rd SAP
Barbering 1000 Hrs.	450 hrs./19wks	900 hrs./38wks	1000 hrs./42wks
Cosmetologist 1000 Hrs.	450 hrs./19wks	900 hrs./38wks	1000 hrs./42wks
Holistic Practitioner 1000 Hrs.	450 hrs./19wks	900 hrs./38wks	1000 hrs./42wks

*Transfer Students - Midpoint of the contracted hours or the established evaluation periods, whichever comes first.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

Attendance Progress Evaluations

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule to be considered to maintain satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed. Students who do not complete within the maximum time frame will be dropped from the program.

Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course with satisfactory academic progress is stated below:

Course	Maximum Time Allowed	
	Weeks	Scheduled Hours
Cosmetologist (Full time - Part time)	42 - 50	1000
Barbering (Full time - Part time)	42 - 50	1000
Barber Crossover (Full time - Part time)	9 - 10	200
Holistic Practitioner (Full time - Part time)	42 - 50	1000
Esthetician (Full time - Part time)	25 - 30	600
Massage Therapist (Full time - Part time)	25 - 30	600
Nail Technician (Full time - Part time)	25 - 30	600
Manicurist (Full time - Part time)	17 - 20	400

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 67% of the scheduled contracted hours.

Academic Progress Evaluations

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a

written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up for failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Grading	Letter	Description	Grade point
90 -100%	A	Excellent	4.00

Determination Of Progress Status

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress when they finish. During the warning period, students are eligible, if applicable, to receive Title IV funds. If at the end of the warning period, the student has still not met both academic and/or attendance requirements, the student will be deemed ineligible to receive Title IV funds, unless the appeal has been approved. Please refer to the appeal procedure section for details below.

Probation

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the satisfactory academic progress policy standards by the end of the evaluation period may be placed on probation. The student will be advised in writing of the actions required to attain satisfactory academic progress. If at the end of the probation period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress the student will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

Re-Establishment Of Satisfactory Academic Progress

Students may re-establish satisfactory academic progress and regain Title IV funds eligibility as applicable, by meeting minimum attendance and academic requirements.

Interruptions, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school with the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's

contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return to the same satisfactory academic progress status as at the time of withdrawal.

Appeal Procedure

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days from the date of notification that they are not meeting the second consecutive satisfactory progress determination to appeal the unsatisfactory academic progress determination. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve a Satisfactory Academic Progress report. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable. This policy applies to all students regardless of whether or not they are eligible for Title IV funding programs. In order to comply with USDE requirements, the terminology warning or probation will be used for both Title IV and non-Title IV students.

Noncredit, Remedial Courses, Repetitions

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect on the school's satisfactory academic progress standards.

Students Right To Cancel

The student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session (first day of classes), or the seventh calendar day after enrollment (seven calendar days from the date when the enrollment agreement was signed), whichever is later.

The notice of cancellation shall be in writing and submitted directly to the Financial Aid Office. A withdrawal may be initiated by the student's written notice or by the institution due to the student's academics or conduct, including, but not necessarily limited to, a student's lack of attendance.

Refund Policy

Applies to all terminations for any reason, by either party, including a student's decision, course or program cancellation, or school closure.

After the cancellation period, the institution provides a pro-rata refund of ALL funds paid for tuition charges to students who have completed 60 percent or less of the period of attendance. Once more than 60 percent of the enrollment period in the entire course has elapsed (including absences), there will be no refund to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

An application fee of \$100.00 is a non-refundable item. Equipment, books, supplies, tools, uniforms, kits, and any other items issued and received by the student would not be returnable. Once received by the student it will belong to the student and will represent a liability to the student.

If you cancel the agreement, the school will refund any money that you paid, less any deduction for the application fee and equipment received. If you withdraw from school after the cancellation period, the refund policy described above will apply. If the amount that you have paid is more than the amount that you owe for the time you attended, then a refund will be made within 45 days of the official withdrawal date. See the Refunds section below. If the amount that you owe is more than the amount that you have already paid, then you will have to arrange with the institution to pay that balance. The official withdrawal date is on the student's notification or the school's determination.

Course or program cancellation, or school closure the school shall provide a full refund of all monies paid.

Determination of Withdrawal Policy

The withdrawal date shall be the last date of recorded attendance. The student would be determined to have withdrawn from school on the earliest of:

- The date you notify the Financial Aid Office of your intent to withdraw. Only the Financial Aid Office would be authorized to accept a notification of your intent to withdraw.
- The date the school terminates your enrollment due to academic failure or for violation of its rules and policies stated in the catalog.
- The date you fail to attend classes for a two-week period and fail to inform the school that you are not withdrawing.
- The date you failed to return as scheduled from an approved leave of absence. The withdrawal date shall be the last date of recorded attendance. The date of the determination of withdrawal will be the scheduled date of return from LOA.

Return of Title IV Policy

Special note to students receiving Unsubsidized/Subsidized/PLUS/Perkins loans, ACG/National SMART/Pell/SEOG grants, or other aid, if you withdraw from school prior to the completion of the equivalent of 60 percent of the workload in any given payment period, a calculation using the percentage completed will be applied to the funds received or that could have been received that will determine the amount of aid the student

earned. Unearned funds would be returned to the program in the order stated below by the school and/or the student. Student liability to loan funds will continue to be paid in accordance with the original promissory note terms. Funds owed by the student to the Grant programs are limited to 50% of the gross award per program received. Sample Calculation, completion of 25% of the payment period or enrollment period earns only 25% of the aid disbursed or that could have been disbursed. If applicable, this would be the first calculation to determine the amount of aid that the student would be eligible for from the Title IV Financial Aid programs. A second calculation would take place to determine the amount earned by the institution during the period of enrollment. If the student is eligible for a loan guaranteed by the federal or state government and the student defaults on the loan, both of the following may occur: (1) The federal or state government or a loan guarantee agency may take action against the student, including garnishing any income tax refund to which the person is entitled, to reduce the balance owed on the loan. (2) The student may not be eligible for any other federal student financial aid at another institution or other government assistance until the loan is repaid.

If you have questions about the Title IV program funds, please see the financial aid director at the school. Information is also available on Student Aid on the website at <https://studentaid.ed.gov/sa/>.

Financial Aid

Financial Aid -Consumer Information

Based on a combination of approvals, authorization, and accreditation, our students are eligible to apply for and receive tuition aid and financial assistance while attending the college. This includes the Federal PELL Grant [Does not require repayment (FPELL)]

General Financial Aid Information

If you wish to apply for financial aid you have questions or need sections of the handbook clarified, contact the financial aid office at the school. Additional information regarding the student aid programs available at school may be found in "The Student Guide" and the "Free Application for Federal Student Aid" published by the U.S. Department of Education. Additional information may be obtained by calling the Federal Student Aid Information Center between 9:00 a.m. and 5:00 p.m. (EST) Monday through Friday at 1 (800) 433- 3243. Compliance Statement

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students' identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state, or private programs.

Financial Aid Mechanism

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. San Bernardino Beauty College does not participate in a direct loan program.

Financial aid is awarded to students who have “need”. The need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and, if the student has received federal student financial aid funds, the student is entitled to a refund of the money not paid from federal student financial aid program funds.

If a Student graduates earlier than the scheduled end date, the student’s financial aid package may be recalculated and that may result in liabilities owed by the student and/or the institution.

Student Eligibility Requirements

To be eligible for financial aid, a student must:

- Be admitted as a regular student
- Be enrolled or accepted for enrollment in an eligible program on at least a half-time basis;
- Be a citizen or an eligible non-citizen;

Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student’s family circumstances.

Treatment of Title IV Funds if the Student Withdraws from the Program of Study

As of 10/07/00, Federal Regulations dictate specific formulas to determine the amount of Title IV Aid earned by a student withdrawing from the course of study. Simply stated, if the student withdraws before the sixty percent of the payment period in the course, the student would have earned only 50% of the aid received or eligible to have received. To determine the percentage complete, the scheduled hours of class or the actual hours attended (if less than seventy percent of scheduled hours) will be divided by the total hours in the payment period. Unearned aid will be returned to the program(s) in accordance with the guidance described in the regulations. Withdrawing students will be responsible for institutional charges not covered by student aid. Delinquent school accounts will be assigned to a collection agency. Collection agency expenses will be added to the balance owed to the school.

The California Board of Barbering and Cosmetology requires that any person desiring to conduct business as a Cosmetologist, Barber, Esthetician, or Manicurist must first complete the state-required curriculum at an approved school and pass the state licensing exam. San Bernardino Beauty College programs are designed with two goals in mind. First, to provide students with the state-required educational curriculum necessary to qualify to take and pass the license exam and, second, to prepare our graduates to obtain employment in entry-level positions in the beauty and wellness industry.

Background Checks:

1. California Board of Barbering and Cosmetology: The application for examination by the Board requires an applicant to disclose background information relating to any conviction or plea of no contest to any violation of any law of the United States, in any state, local jurisdiction or any foreign country in order to determine a student's eligibility to take the licensing exam. Individuals who have been convicted of a crime can still apply to take the examination. The Board will request documents relating to a conviction to be included with the application for examination. These are reviewed and evaluated by the Board on a case-by-case basis.
2. California Massage Therapy Council: To obtain California Certification as a Certified Massage Therapist, a graduate must submit an application and the school transcript proving completion of the Massage Therapist or Holistic Practitioner program and pass one of the CAMTC-approved exams. Applicants must also pass a Live Scan fingerprint background investigation specific to CAMTC and have not violated any of the provisions of the California Massage Therapy Act or any policy, procedures, or regulations of CAMTC.

It is the student's responsibility to determine if any past criminal convictions will prevent them from obtaining the required state Board license or certification for Massage Therapy. For more information, about these requirements, an individual should contact the appropriate agency as follows:
