1. "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
5. "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
8. "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completed a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

15. "Salary" is as reported by graduate or graduate's employer.
16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student has the right to cancel enrollment for a full refund of tuition on or before the first day of the program or 7 days after enrollment, whichever is later. At any time after that, the student can withdraw for a refund of the portion of the training not yet attended or scheduled to attend. Refunds will be provided within 45 days of a cancellation or withdrawal. The refund policy is applicable for all of the four programs below:

- IND Montessori Teach Education Certificate Program- Infant & Toddler
- IND Montessori Teach Education Certificate Program-Early Childhood
- IND Montessori Teach Education Certificate Program-Elementary I/II
- IND Montessori Teach Education Certificate Program-Secondary I/II

We refund tuition that has been paid to Prepared Montessorian Institute for any portion of the training not yet attended or scheduled to attend. We calculate the amount to be refunded by applying a tuition rate per clock hour of the course. Each hour attended in seminars, completed during practicum components, or completed asynchronous video and assignments is tracked through Altitude completion cards and trackers. You will be refunded the amount owed to you for the portions of the program you have not finished. For example, the Elementary program is 1200 hours in length. If prior to your withdrawal you attend 100 hours of classes, and complete another 300 hours of asynchronous assignments, and 300 hours of practicum, you would have completed 700 total hours and be due a refund for the remaining 500 hours of the program you had not completed or attended.

When calculating refunds, the official date of a student's withdrawal is determined in one of the following ways:

1. The last date of recorded attendance.
2. When PMI receives notice of the student's intention to discontinue the training.
3. When the student is expelled for violation of a published school policy which provides for termination.
4. When a student fails to attend classes for 30 calendar days without notice the status change to PMI.

Definitions

1. "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
2. "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
3. "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
4. "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
5. "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
6. "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
7. "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
8. "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
9. "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
10. "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
11. "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
12. "First Available Exam Date" is the date for the first available exam after a student completed a program.
13. "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
14. "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.

16. "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student has the right to cancel enrollment for a full refund of tuition on or before the first day of the program or 7 days after enrollment, whichever is later. At any time after that, the student can withdrawal for a refund of the portion of the training not yet attended or scheduled to attend. Refunds will be provided within 45 days of a cancellation or withdrawal. The refund policy is applicable for all of the four programs below:

- IND Montessori Teach Education Certificate Program- Infant & Toddler
- IND Montessori Teach Education Certificate Program-Early Childhood
- IND Montessori Teach Education Certificate Program-Elementary I/II
- IND Montessori Teach Education Certificate Program-Secondary I/II

We refund tuition that has been paid to Prepared Montessorian Institute for any portion of the training not yet attended or scheduled to attend. We calculate the amount to be refunded by applying a tuition rate per clock hour of the course. Each hour attended in seminars, completed during practicum components, or completed asynchronous video and assignments is tracked through Altitude completion cards and trackers. You will be refunded the amount owed to you for the portions of the program you have not finished. For example, the Elementary program is 1200 hours in length. If prior to your withdrawal you attend 100 hours of classes, and complete another 300 hours of asynchronous assignments, and 300 hours of practicum, you would have completed 700 total hours and be due a refund for the remaining 500 hours of the program you had not completed or attended.

When calculating refunds, the official date of a student's withdrawal is determined in one of the following ways:

1. The last date of recorded attendance.
2. When PMI receives notice of the student's intention to discontinue the training.
3. When the student is expelled for violation of a published school policy which provides for termination.
4. When a student fails to attend classes for 30 calendar days without notice the status change to PMI.
