IX) ACADEMIC POLICIES AND PROCEDURES

Students must attend classes according to their established schedules. Frequent tardiness and/or absences are cause for disciplinary action such as probation or dismissal. Students with fourteen (14) consecutive days of absences, in any program of study, will be withdrawn.

ATTENDANCE POLICIES

Absences

Attendance is taken daily. Students are advised to call the College to inform their instructor of their absence. The call must be made by 8:30am to be considered valid. If a student does not call, they are considered NO CALL-NO SHOW. THREE DAYS IN A ROW AND THEY WILL BE SUSPENDED. The only excused absences allowed are jury duty, military leave, immediate family death, medical or incarceration. Other extenuating circumstances will be evaluated on a case by case basis. A legitimate note must be submitted to the Administrator's office within three days of the absence.

Tardiness/Leaving Early

Tardiness is a disruption of a good learning environment and is highly discouraged. Frequent tardiness without legitimate reasons may be cause for disciplinary action.

Students must arrive by 8:30am, to be considered "on time." Calls for being tardy must be done by 8:30am. If the student does not make it to class by 8:30am, they will not be allowed to clock in until 10:00 am.

Make-up Assignments/Tests/Time

Regularly scheduled class hours, missed assignments, test and/or retests may be made up if the following conditions are met: *

Make-ups must be completed no later than 30 calendar days from the scheduled date of the missed class, assignment, or test. There will only be one make-up test allowed per subject.

Make-up of assignments. The appropriate instructor must approve tests or retests.

Advanced Notices for Leaving Early and for Absences

Students leaving early must sign the Advanced Notice for Leaving Early form. If the reasons for leaving are justified, then the early departure will be excused. If the departure is not deemed justified, the student will not be allowed to leave early, or the student may leave, but the early departure will be noted as unexcused. Please refer to the above rules on unexcused absences and "left early" policy.

For students who wish to have a day off during the school week, the Advanced Notice of Absence must be filled out Seven days prior to the day being requested.

For example, if a student wants to have a day off for a birthday party or wedding, the student must turn in their Advanced Notice of Absence at least Seven days prior to the event to have the day considered excused. If this form is not filled out ahead of time, the request may be declined and if the student decides to take the day off, then the absence will be considered unexcused.

Personal Service Days

Personal Service Days are a privilege that the students must earn. If the student is absent the week prior, or if the student is not current on all assignments the student will forfeit the right to having a personal service day. Personal service days are limited to Tuesday-Thursday and clients must always take priority.

CLOCK HOURS POLICY

The Board of Barbering and Cosmetology will only recognize time clock punched hours of attendance. A result of this requirement this school can only give clock hour credit to students who record their attendance by using the time clock to punch in and out at the start and end of their class day and lunch period. You will be given up to seven (7) minutes to clock in and receive credit for the quarter (1/4) hour. A thirty (30) minute lunch break shall be taken when a student attends a 6-hour class day or more. If you are attending less than a 6 hour class day and desire to take a lunch break (30 minutes), the half hour must be deducted from your daily total and you must clock in and out on your timecard for the lunch break. Once theory classes have been started no one will be allowed to enter UNTIL 10:00 am.

Instructors may not sign a student in or out. If an error is made on the student timecard the instructor will draw a line through the error and make the correction and the student and instructor must initial the change.

At the completion of the last day of your week, a new timecard is prepared from the current weekly timecard. The daily hours and operations earned are added to the totals in the prior column and final totals transferred to the cumulative column. These cumulative figures are then entered in the prior column on the next days' timecard. The timecard must be signed by the student and the instructor daily.

Timecards reflect the student daily record of hours and operations.

It is important that all your hours and operations are recorded properly and accurately. The attendance personnel must be able to read your timecard so that the hours and operations are transferred correctly to the roster.

Timecards are the property of the school and must always remain at the school. In the event a timecard is removed from the school's premises, the Timecard will be considered null and void.

After clocking in you are required to maintain applied effort, professional grooming and remain in the building; reading material not related to your training or involving in activity not related to your training is not tolerated. If this occurs, you will be asked to stop such activity or to punch out for the remainder of the day. Continued activities of this nature could result in your suspension or termination.

TIMECARD CREDIT

The following is a guideline for the instructor to issue credits: Each Theory credit must be initialed in the proper category. If that category is complete, the instructor may issue credit in another category. The portion of the timecard reflecting hours are in the Theory hours earned and any classes the instructor has demonstrated. The portions of the timecard concerning operations are to be applied efforts of the students as they manually perform a practical subject. Some practical operations may take longer to perform according to the student. Note the following time frame the Board gives for each operation:

Shampoo/Set = 1½ hours	Scalp Treatment = ½ to 1 hour
Permanent Wave = 2 to 2 ½ hours	Facial= 1 ½ to 2 hours
Manicure = ½ hour	Hair Cut = ½ to 1 hour

Using the above, the Bureau would understandably not consider a student capable of performing more than three permanent waves per day.

CLIENT POLICY

After clients have been received at the front desk, the student will introduce themselves to the client, walk them to their designated chair, and perform a consultation. When the client has decided on their service(s), the student must circle all the services requested/completed. After completion of the service, the student must walk their client to the front desk for payment of services rendered. The student is responsible for bringing the work slip with them to the cash register with all the services circled or marked. The student must remain with the customer during the entire payment process. Once the payment is received, a future appointment should be noted in the appointment book. At this juncture, the student should thank the client for their time and remind them about their appointment with an appointment card.

ENROLLMENT STATUS

Full time: Any student scheduled to attend 24 hours or more per week are full-time students. Half time enrollment requires a minimum of 16 hours per week. Part-time enrollment is defined as more than 16 but less than 24 hours per week. Less than 16 hours per week is less than half time.

GRADING SYSTEM

Students are evaluated on a regular basis on theory, practical and clinical work. The evaluations are measured on a standard percentile basis and the percentage equated to a letter grade. Students must maintain a "C" (70%) average to maintain satisfactory academic status. The system detailed below is the system utilized in the school.

ACADEMIC GRADING - POINT GRADES FOR PRACTICAL WORK

90% - 100%	A	Superior Performance	(GPA 4)	8	POINTS = A
80% - 89%	B	Above Average	(GPA 3)	6-7	POINTS = B
70% - 79%	C	Average	(GPA 2)	4-5	POINTS = C
60% - 69%	D	Unsatisfactory	(GPA 1)	3	POINTS = D
0% - 59 %	F	Fail	(GPA 0)	0	POINTS = F

Grade point average required for certifying completion of each program is a minimum cumulative passing grade of 70%. The following is a breakdown of the grading system:

Written and Practical Tests	= 50%
Attendance	= 25%
Quizzes	= 15%
Professionalism	= 10%

Attendance will be graded as follows:

0 Absences = A (100%); 1 Absence = A (95%); 2 Absences = B+ (89%); 3 Absences = B- (80%); 4 Absences = C (75%); 5 or more absences will result in an "F" or "O" for the phase.

LEAVE OF ABSENCE

The College will consider a written request for a leave of absence (LOA) and may approve an LOA after determining that the request is justifiable and there is a reasonable expectation that the student will return to school. A student will not be assessed any additional charges because of an approved LOA. The LOA request, together with any additional LOAs previously granted, may not exceed a total of 180 calendar days in any 12- month period. Justifiable reasons for requesting an LOA include: Jury duty, military obligations, medical issues relating to the student or immediate family members, severe financial hardship, and other personal situations that will negatively affect their ability to attend class.

To request an LOA the student must submit, in advance, in writing, a request for an LOA which includes the reason(s) for which the LOA is being requested. The LOA request must be signed and dated by the student.

Exceptions: The College may grant an LOA to a student who did not submit the request prior to the beginning of the LOA if it is determined and documented that unforeseen circumstances prevented the student from requesting the LOA in advance. The approval is contingent upon the student submitting the required request once they are able. In such circumstances, the start date of the approved LOA is the first date the student was unable to attend.

The College will notify the student within 48 hours of receipt of a request for an LOA as to approval or in the event of denial, the reasons for denial of the request. If approved, the student's contract period will be extended by the same number of calendar days approved in the LOA and an addendum to the enrollment agreement must be signed by all parties. The number of days in a leave of absence is counted beginning with the first day of an approved LOA to the last day. A student granted an LOA in accordance with this policy is not considered to have withdrawn and no refund calculation is required to be performed.

If a student takes an unapproved LOA or does not return by the expiration of an approved LOA the student will be withdrawn and the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.

MAKE UP ASSIGNMENTS/ TESTS/ RETESTS/TIME

Regularly scheduled class hours, missed assignments, test and/or retests may be made up if the following conditions are met:*

Make-ups must be completed no later than 30 calendar days from the scheduled date of the missed class, assignment, or test.

After the thirty days, all unexcused absences will be charged to the tuition bill.

There will only be one make-up test allowed per subject. If the assignment or test is not made up within thirty (30) calendar days, an automatic "0" will be assigned.

Students who achieve less than 70% on an exam may be allowed to retake the exam to achieve a higher score. Only 1 retest per exam is permitted. The results of the retest is recorded as the final test score. The appropriate instructor must approve and schedule requests for tests or retests.

STUDENT RECORDS, AND RECORD RETENTION

The College maintains records of the name, address, e-mail address, and telephone number of each student who enrolled in an educational program. Permanent records of the following are maintained for each student:

- The certificate, if granted and the date granted.
- The courses and hours earned for each program attended.
- The grades earned by the student throughout the program.

The College maintains, for a period of not less than six years, at its offices complete and accurate records of all the following information:

- The educational programs offered and the curriculum for each program
- The names and addresses of the members of the faculty and records of the educational qualifications of each member of the faculty.
- Any other records required to be maintained by BPPE.

X) SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the College to ensure students are successfully progressing both academically (qualitatively) and timely (quantitatively) through their program of study.

EVALUATION PERIODS

Evaluation periods are based upon an Academic Year. An academic year is the amount of academic work students enrolled in a program must complete each year and the time in which they are expected to complete the work. The academic year is defined as 900 clock hours for all programs offered. Evaluation periods are defined as one-half the academic year, or one-half the period in the program or period remaining in the program if less than the academic year.

Students are evaluated for Satisfactory Academic Progress on payment periods as follows:

Program:	Clocked (actual) hours:	Weeks:
Cosmetology (27 weeks)	450, 900, 1000	12, 24, 27
Barbering (27 weeks)	450, 900, 1000	12, 24, 27

Manicurist (11 weeks)	200, 400	5, 11
Barber Crossover (5 weeks)	100, 200	2, 5
Cosmetology Crossover (9 weeks)	150, 300	4, 9
Cosmetologist (42 weeks)	450, 900, 1350, 1600	11, 23, 35, 42
<i>This program is not enrolling new students.</i>		
Barber (40 weeks)	450, 900, 1350, 1500	12, 24, 36, 40
<i>This program is not enrolling new students.</i>		

*For students with transfer hours accepted, SAP evaluation periods are based on actual contracted hours at the institution. Evaluations will occur no later than the mid-point of the program or period, whichever occurs sooner.

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the program.

Students may access their SAP evaluations 7 days following the end of the payment period by asking their teacher for their results.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the College will determine if the student has maintained at least 67% cumulative attendance since the beginning of the program which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 150% of the program length) allowed for students to complete each program at satisfactory academic progress is stated below:

MAXIMUM TIME ALLOWED				
Program	Program Hours	Weeks Full Time	Weeks Part Time	Scheduled Hours
Barbering	1000	40.5	81	1500
Cosmetology	1000	40.5	81	1500
Manicurist	400	16.5	33	600
Barber Crossover	200	7.5	15	300
Cosmetology Crossover	300	12	24	450
Barber (not enrolling new students)	1500	60	120	2250
Cosmetologist (not enrolling new students)	1600	63	126	2400

A student's enrollment, full time versus part time, is defined on their enrollment agreement.

The maximum time allowed for transfer students who need less than the full program requirements or part-time students will be determined based on a minimum of 67% of the scheduled contracted hours having been earned.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward program completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the College. Students must maintain a written grade average of 70% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

90% - 100%	A	Superior Performance
80% - 89%	B	Above Average
70% - 79%	C	Average
60% - 69%	D	Unsatisfactory
0% - 59 %	F	Fail

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. SAP is evaluated based on the students' progress as of the end of the day on which the evaluation period hours are clocked.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may appeal to be placed on probation.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period, and prevail upon appeal, are placed on probation, and considered to be making satisfactory academic progress during the probationary period. Only students who could meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period, or in accordance with an academic plan, may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan at each future evaluation period. Students who are progressing according to their specific academic plan will be considered making Satisfactory Academic

Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

FAILURE TO RE-ESTABLISH OF SATISFACTORY ACADEMIC PROGRESS

Students who fail to establish SAP after being placed on warning and do not file an appeal, or file an appeal which is denied, will be notified, and withdrawn. Students who are placed on probation and fail to establish SAP by the end of the probationary period, will be withdrawn.

INTERRUPTIONS, PROGRAM INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the program and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the College on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect upon the College's satisfactory academic progress standards.

EFFECT OF PROGRAM CHANGE ON SATISFACTORY ACADEMIC PROGRESS

A student who changes programs must submit a written request for a program change and sign a new enrollment agreement. Students changing programs will not be charged for another application fee, nor will they be charged an administrative fee for changing programs. All coursework that applies to the new program will be used in the calculation of satisfactory academic progress, including both the cumulative grade average and incremental completion rate.

TRANSFER HOURS

Regarding Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted.

XI) STUDENT RULES, RIGHTS AND PROCEDURES

These are designed to industry standards and based on salon expectations; we feel there are only three primary and sound reasons for having a school rule:

1. Out of respect and for the feelings, comfort, and safety of others in school, including students, patrons, and staff.
2. To establish the same kind of work, conduct and habit patterns that would be expected of you in the typical salon where you take up your profession.
3. To comply with state, federal, and accrediting expectations.

ATTITUDE, ATTIRE AND GROOMING

Cosmetology is primarily about providing customer service and satisfaction. Success in this industry is dependent on your ability to present yourself well in appearance, presentation, attitude and having the skills to make your customers want to make referrals to you and return to you herself/himself. To truly succeed in this industry, you must treat each customer as if your entire career depended on her/him.

While a student in school, in addition to learning basic cosmetology skills and techniques, you will be expected to conduct and present yourself in a professional manner through good attire, grooming and attitude always.

Attitude— the single most important aspect required to succeed in the industry. You can be one of the best skilled hairdressers, esthetician, or manicurists in the industry, but if you do not have a good attitude, you will never be a success. With a good attitude you will develop people skills and good working habits that will drive you to succeed. A good attitude will help keep you on track and be consistent with motivating your clients, your employees, and yourself. A good attitude always means treating others with respect and always making the customer feels good about herself/himself and your service.

Attire— while in school, students must follow the school dress code. The basic dress policy specifies solid black scrub tops (no prints, logos, stripes, or design): black scrub pants (ankle length, no jeans, or tights), with black closed toed walking shoes and no head covering. If there is clothing to be worn underneath the scrubs, they must be either solid black or solid white. Free day consists of closed toe shoes, no tank tops; short sleeves must cover upper arms, no overt body exposure determined by the instructors at the discretion of instructors. Conservative attire is required, and the instructor will have discretion of what is appropriate and what is not. Clothing must not be excessively loose or tight and all apparel must be clean and pressed (with no excessive stains). Facial jewelry should be avoided or kept to a minimum while in school. Detailed attire policies will be provided upon your enrollment. All students are expected to follow this dress code for the benefit of other students and the public. All dress attire must be according to gender. If the student arrives at the school without the proper attire, they

will be asked to go home to change and return to school. One hour will be deducted from their timecard.

Grooming— as you are entering a salon-like atmosphere of training, good grooming is a prerequisite. This means being clean and neat. Hair, whether on the head or face, should be fashionable, orderly, and presentable in a professional manner so as not to be annoying to the public. To gain a client's confidence, you must present yourself in the best light, as the client's impression is always made upon first sight and first introduction. Obviously, proper use of deodorant, breath freshener, and clean manicured hands is important for the respect, comfort, and feelings of others. Proper presentation and sanitation are the way to win friends and influence people!

Students are not allowed to sell any type of merchandise to anyone on school premises.

A student may be suspended or terminated for unsatisfactory progress, misconduct, disrupting classes, or for infraction of the rules. In the event of a problem, a personal conference is held with the student so that there can be an opportunity for discussion and resolution of the problem.

Physical altercations, aggressive arguments, threats, theft, or intentional abuse of another person is grounds for immediate expulsion.

Please notify the School Manager immediately in writing of any changes of address or phone number. Students should get validated receipts for all monies paid to the school for tuitions. The student should verify they received proper credit against their month student status reports.

Any student discontinuing, transferring, or completing training is requested to check with the school manager so that appropriate records maybe prepared.

Drug Abuse Policy – SAN LUIS OBISPO BEAUTY COLLEGE has a zero-tolerance policy on drugs found on the campus. Anyone found abusing drugs on campus will be subject to immediate expulsion. Students are required to wear their ID badge whenever they are on campus, for any reason.

Violations of the above rules may result in disciplinary action, suspension and or termination.

DISCIPLINARY PROCEDURES AND DISMISSAL

All disciplinary matters will come before the Administration, which will review the written complaint, interview the parties involved, and decide of the action to be taken. This may result in the dismissal of the charge, probation, suspension for a length of time, dismissal of the student, or other appropriate action. Termination may also be the result of a student violating the following policies: a) satisfactory academic progress, b) attendance, and/or c) the conduct policy.

Grounds for Disciplinary Action

Unsatisfactory academic performance,
Unsatisfactory attendance,
Frequent tardiness or leaving early,
Unprofessional behavior such as academic dishonesty and/or conduct that disrupts the learning process in the classroom or reflects unfavorably upon the school and/or its students. Consult your administration department for additional information.

Appeals

Should a disciplinary action such as suspension or termination be taken, the student will be notified in writing by the College. The student has ten (10) business days to appeal the decision of the College regarding the action taken and must substantiate his or her case by providing documentation where appropriate. All appeals must be made in writing. The College will form a committee who will review and take the necessary steps to resolve the appeal. Students who reenter after 6 months of withdrawal are required to sign a new enrollment agreement at the current tuition and fee rates.

FINANCIAL PLANNING STUDENT RIGHTS

Students have the right to know:

- Types of payment plans available at SAN LUIS OBISPO BEAUTY COLLEGE.
- The basis for eligibility and the process of fulfilling these needs.
- The refund policy of the school, including the pro rata refund policy.

This information is available at the Financial Planning Department and contained within this catalog.

CANCELLATION, WITHDRAWAL, AND REFUND POLICY

STUDENT'S RIGHT TO CANCEL:

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first-class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance.

Cancellation may occur when the student provides a written notice of cancellation at the following address: SAN LUIS OBISPO BEAUTY COLLEGE, 285 South Street, Suite N, San Luis Obispo, CA 93401. This can be done by mail or by hand delivery.

The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.

The written notice of cancellation need not take any particular form and however expressed, is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement. If the Enrollment Agreement is cancelled after the cancellation date specified above, the College will refund the student any money he/she paid, less the non-refundable application fee, and less any deduction for equipment not returned in good condition, within 45 days after the notice of cancellation is received.

WITHDRAWAL FROM THE PROGRAM

After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rata refund of tuition if 60 percent or less of the scheduled hours in the current payment period in your program though your last day of attendance, have elapsed. If a student withdraws from the program of instruction after the period allowed for cancellation, but prior to over 60% of the hours in the period of enrollment having elapsed, the College will remit a refund of tuition within 45 days following the student's withdrawal. The student is obligated to pay only for the educational services rendered and for the unreturned supplies or equipment (if any) plus the administrative fee mentioned above. If over 60% of schedule hours for the payment period in which the student is withdrawing have elapsed, then 100% of tuition is earned by the Beauty College, and no refund is due the student.

To withdrawal from a program you may provide written notice to the following address: SAN LUIS OBISPO BEAUTY COLLEGE, 285 South Street, Suite N, San Luis Obispo, CA 93401. This can be done by mail or by hand delivery.

A student shall be deemed to have withdrawn from a program of instruction when the student notifies the institution of the student's withdrawal or the institution terminates the student's enrollment for failure to:

- maintain satisfactory progress,
- abide by the rules and regulations of the institution,
- attend classes for a two-week period or absences more than maximum set forth by the institution,
- return as scheduled from an approved leave of absence and/or
- meet financial obligations to the College.

For determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If the student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and if the student receives federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal financial aid funds. (CEC §94911(f))

If a student defaults on a federal or state loan, both of the following may occur: (1) The federal or state government or a third-party loan guarantee agency may take action against the student which may include garnishing an income tax refund; and (2) The student may not be eligible for any other government financial assistance at another institution until the loan is repaid. (CEC§94911(g) (1) (2))

Refunds: If any refunds are due based on the institutional refund policy calculation, refunds will be issued within 45 days from the date of the determination (date your withdrawal was determined).

Program Cancellation: If a program of study is cancelled subsequent to a student's enrollment and before instruction in the program has begun, the College shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the program at schools in the neighborhood.

School Closure: If the College closes subsequent to a student's enrollment and before instruction in the program has begun, the College shall at its option: 1) Provide a full refund of all money paid; or 2) Provide for completion of the program at schools in the neighborhood.

Sample California State Refund Calculation

A student withdraws from the Cosmetology program during their third week, having completed 100 hours of the 250 hours of instruction in the first period. 250 hours - 100 hours = 150 hours of instruction remaining in the period. 150 hours of remaining instruction divided by 250 hours in the period = 60% of unearned tuition. The refund amount would be determined as follows:

COST FOR PERIOD OF ENROLLMENT

Application Fee	\$100.00
Tuition	+ \$4,000.00
Books / Kit	+ \$1,700.00
STRF	+ \$35.00
TOTAL COSTS (As stated on Enrollment Agreement)	= \$5,835.00
Application Fee	- \$100.00
STRF	- \$35.00
Books / Kit	- \$1,700.00
Earned Tuition (\$4,000 x 40%)	- \$1,600.00
REFUND Amount	= \$2,400.00
Unearned Tuition (\$4,000.00 X 60% = \$2,400)	= \$2,400.00

Return Policy for Kit Purchase

When a student purchases a cosmetology kit, manicurist kit, or barbering kit, the sale is final. There are no refunds on kits and textbooks.

STATE OF CALIFORNIA STUDENT TUITION RECOVERY FUND (STRF)

5 CCR § 76215 § 76215. Student Tuition Recovery Fund Disclosures.

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education Mailing Address: P.O. Box 980818, West Sacramento, CA 95798-0818. XIII) OBTAINING A LICENSE TO PRACTICE IN THE FIELD

Training is the main step of how to become a licensed cosmetologist, barber, esthetician, or manicurist, but you will also need a license to practice. Almost all states offer a cosmetology license of some kind. The licensing process can vary, and it is important to stay current on your state's requirements. After completing your program, you will need to take a state licensing exam to gain clearance to begin working in the profession you trained. The written exam covers your knowledge of the procedures, and skills for the profession. Some states require a practical component, where you perform procedures under observation. The extra fees of getting licensed vary by state but are an estimated \$150-250 total for your application and exam.

In California, The Barbering and Cosmetology Act governs the licensing of cosmetologists, barbers, estheticians, and manicurists. Please refer to https://www.barbercosmo.ca.gov/laws_regs/laws.shtml for The Barbering and Cosmetology Act in its entirety. Below we have provided the required qualifications for students who have completed one of our programs.
