“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

## **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.

## Definitions

“Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.

“Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.

“Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.

“On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.

“150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).

“150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.

“Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.

□ “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

“Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires

passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.

“Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

“Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

“First Available Exam Date” is the date for the first available exam after a student completed a program.

“Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

“Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.

“Salary” is as reported by graduate or graduate’s employer.

“No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

The student has a right to cancel this enrollment agreement and obtain a refund. You have right to cancel and obtain a refund of charges paid through attendance at the first class session, or, the seventh day after enrollment, whichever is later. Your notice may take any form as long as it is written and states that you no longer wish to be bound by this agreement. Your notice must be delivered to the Managing Director at 70-225 Highway 111, Suite B&C, Rancho Mirage CA 92270. If delivery of the cancellation form is sent by mail, the notice must be postmarked on or before the date notice is required.

The student has a right to a full refund of all charges less the amount of \$100.00 for the registration fee if he/she cancels this agreement through attendance at the first class session, or the seventh day after enrollment, whichever is later. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid programs.

In addition, the student may withdraw from a course after instruction has started and after the full refund cancellation period (see previous paragraph,) and receive a pro rata refund for the unused portion of the tuition and other refundable charges if the student has completed 60% or less of the instruction.

For example, if the student completes only 20 hours of a 100-hour course or education service, and paid \$595.00 tuition, the student would receive a refund of \$396.00 as follows:

Amount Paid = \$595.00 minus registration fee of \$100 equals \$495.00

Refundable amount \$495 multiplied by .20 (or 20%) equals \$99.00

\$495.00 - \$99.00 equals \$396. Student would receive a refund of \$396.00 in this example.
