STUDENT'S RIGHT TO CANCEL

The catalog shall contain cancellation, withdrawal, and refund policies, including an explanation that the student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. (Ed. Code §94909(a)(8)(B))

H&R Healthcare School requires notice of cancellation to be given in person or by certified or registered mail to H&R Healthcare School, 6060 Manchester W. Ave., Suite 320, Los Angeles, CA. 90045. H&R Healthcare School requires that notice of termination or cancellation be made by the purchaser if a student is under legal age. If the student has received federal student financial aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds.

The letter of withdrawal must define the last day of attendance, which includes the student's last academically related activity. The student must also designate the date of official withdrawal.

The student shall be deemed to have withdrawn from the program of instruction when any of the following occurs:

1. The student notifies the institution of the student's withdrawal or of the date of the student's withdrawal, whichever is later.
2. The institution terminates the student's enrollment.
3. The student fails to attend classes for three days. If a student received a loan for tuition, a refund will be made to the lender to reduce the student's loan debt. The refund computation will be based on the last date of the student's academic activity.

Within 10 days of the day on which the refund is made, the institution shall notify the student in writing of the date on which the refund was made, the amount of the refund, the method of calculating the refund, and the name and address of the entity to which the refund was made.

Students have the right to cancel the ENROLLMENT AGREEMENT that a student signed for a program of instruction, including any equipment, such as books, materials, and supplies, or any other goods and services included in the agreement. To get credit, H&R Healthcare School shall refund 100 percent of the amount paid for institutional charges, less a reasonable deposit for application and registration fee not to exceed two hundred fifty dollars (\$250), including any non-returnable items, if notice of cancellation is made through attendance at the first class session, or the seventh day after enrollment, whichever is later.

If you cancel, any payment and any negotiable instrument signed by you shall be returned within 5 days following the school's receipt of your cancellation notice. However, if the school provided you with any equipment, you must return it within 5 business days of the date you signed the cancellation notice. If you do not return the equipment within these 5 days, the school may retain an amount equal to the cost of the equipment from your payment. All materials are supposed to be returned unused and sealed or in the condition they were received in. Failure to do so, H&R Healthcare School will deduct the value indicated on the enrollment agreement.

Cancellation Process & Procedure

§94920(b) Cancellation shall occur when a student gives a written NOTICE OF CANCELLATION at the address of the school shown on the top of the front page of the ENROLLMENT AGREEMENT. Students can do this by mail, hand delivery, or email. The written NOTICE OF CANCELLATION, if sent by mail, is effective when deposited in the mail, properly addressed with postage prepaid, with the date as reflected on the post office stamp. The written NOTICE OF CANCELLATION need not take any particular form, and, however expressed, it is effective if it shows that students no longer wish to be bound by the students' ENROLLMENT AGREEMENT. Students will be given a 'NOTICE OF CANCELLATION' form when they enroll, but if a student chooses to cancel, the student can use any written notice that the student wishes.

Calculation of Tuition Refund

To qualify for a refund, a student must have completed less than 60% of the Program Schedule.

The School will earn tuition on a pro-rata basis. Refunds will be calculated as follows:

1. Determine the total tuition for the program or course(s).
2. Divide this figure by the total number of hours in the program or course.
3. The quotient is the hourly charge for the program.
4. The amount owed by the student for the purpose of calculating a refund is derived by multiplying the total hours attended by the hourly charge for instruction.
5. The refund shall be any amount in excess of the figure derived in step #4 that was paid by the student.

Sample Calculation:

HHA Program = 5 days x 8 hours/day = 40 hours; HHA Tuition Fee = \$750; HHA hourly cost = \$0.

NO HHA CLASSES FOR 2023

Student cancels after Day 1 (8 hours per day x 5 days = 40 HHA hours utilized).
