SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

AS Aeronautics - 2 years

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	15	15	2	13%
2024	18	18	2	11%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	15	15	3	20%
2024	18	18	2	11%
2023	19	19	6	32%
2022	12	12	2	17%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	15	33	4	4	100%
2024	18	35	9	9	100%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	$40,001 - $45,000	$45,001 - $50,000	$55,001 - $60,000	$60,001 - $65,000	$70,001 - $75,000	$75,001 - $80,000	$80,001 - $85,000	$90,001 - $95,000	Over $100,000	No Salary Information Reported
2025	4	4	1	1	0	0	0	0	0	1	0	9
2024	9	9	0	1	1	1	1	1	1	0	1	10

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2025: $32,520.
Total charges may be higher if the program is not completed on-time.

Total charges for the program for students completing on-time in 2024: $31,320.
Total charges may be higher if the program is not completed on-time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	10.87%	$26,009.63	8.11%
2024		7.27%	$29,239.22	12.50%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

AS Emergency Management - 2 years

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 10/1 /24. As of 7/1/27, two full years of data for this program will be available.

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%
2023	0	0	0	0%
2022	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	0	0	0	0	0%
2024	0	0	0	0	0%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	No Salary Information Reported
2025	0	0	0
2024	0	0	0

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2025: $32,520.
Total charges may be higher if the program is not completed on-time.

Total charges for the program for students completing on-time in 2024: $31,320.
Total charges may be higher if the program is not completed on-time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

AS Uncrewed and Autonomous Sys - 1 year

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 6/14 /24. As of 7/1/27, two full years of data for this program will be available.

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%
2023	0	0	0	0%
2022	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	0	1	0	0	0%
2024	0	0	0	0	0%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	No Salary Information Reported
2025	0	0	0
2024	0	0	0

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	2.04%	$26,009.63	0.00%
2024		8.33%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	8.21%	$26,009.63	6.25%
2024		9.45%	$29,239.22	33.33%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

BS Communication - 4 years

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	1	1	0	0%
2024	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	1	1	1	100%
2024	0	0	0	0%
2023	1	1	1	100%
2022	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	1	2	1	1	100%
2024	0	2	0	0	0%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	$80,001 - $85,000	No Salary Information Reported
2025	1	1	1	0
2024	0	0	0	0

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2025: $64,800.
Total charges may be higher if the program is not completed on-time.

Total charges for the program for students completing on-time in 2024: $62,640.
Total charges may be higher if the program is not completed on-time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	8.33%	$26,009.63	0.00%
2024		4.55%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

BS Homeland Security - 4 years

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	2	2	0	0%
2024	2	2	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	2	2	0	0%
2024	2	2	0	0%
2023	7	7	1	14%
2022	1	1	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	2	1	0	0	0%
2024	2	3	1	1	100%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	$65,001 - $70,000	No Salary Information Reported
2025	0	0	0	0
2024	1	1	1	1

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2025: $66,666.
Total charges may be higher if the program is not completed on-time.

Total charges for the program for students completing on-time in 2024: $64,206.
Total charges may be higher if the program is not completed on-time.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	12.90%	$26,009.63	33.33%
2024		20.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	10.84%	$26,009.63	25.00%
2024		4.76%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	9.30%	$26,009.63	0.00%
2024		5.56%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	23.40%	$26,009.63	22.22%
2024		24.59%	$29,239.22	20.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

MS Airport and Air Mobility Management - 2 years

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 10/1 /24. As of 7/1/27, two full years of data for this program will be available.

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

MS Airline Management - 2 years

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 10/1 /24. As of 7/1/27, two full years of data for this program will be available.

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	0	0	0	0%
2024	0	0	0	0%
2023	0	0	0	0%
2022	0	0	0	0%

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		0.00%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	5.41%	$26,009.63	0.00%
2024		7.50%	$29,239.22	20.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	0.00%	$26,009.63	0.00%
2024		33.33%	$29,239.22	100.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	14.29%	$26,009.63	33.33%
2024		33.33%	$29,239.22	100.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. - "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	33.33%	$26,009.63	0.00%
2024		14.29%	$29,239.22	25.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2024 & 2025

MS Systems Engineering - 2 years

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on 6/14 /24. As of 7/1/27, two full years of data for this program will be available.

On Time Completion Rates (Graduation Rates) (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2025	11	11	3	27%
2024	7	7	3	43%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Students Completing Within 150% of the Published Program Length

Calendar Year	Number of Students who began the program	Students Available for Graduation	150% Graduates	150% Completion Rate
2025	11	11	8	73%
2024	7	7	4	57%
2023	0	0	0	0%
2022	0	0	0	0%

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Students who began the program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2025	11	14	2	2	100%
2024	7	4	1	0	0%

You may obtain from the institution a list of the employment positions determined to be in the field for which a student received education and training. Please reach out to your local campus staff for additional information.

Gainfully Employed Categories (includes data for the two calendar years prior to reporting)

Part-Time vs. Full-Time Employment

Calendar Year	Graduates Employed in the Field 20-29 Hours Per Week	Graduates Employed in the Field at least 30 Hours Per Week	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Single Position vs. Concurrent Aggregated Position

Calendar Year	Graduates Employed in the Field in a Single Position	Graduates Employed in the Field in Concurrent Aggregated Positions	Total Graduates Employed in the field
2025	0	0	0
2024	0	0	0

Self-Employed/Freelance Positions

Calendar Year	Graduates Employed who are Self-Employed or Working Freelance	Total Graduates Employed in the field
2025	0	0
2024	0	0

Institutional Employment

Calendar Year	Graduates Employed in the Field who are Employed by the Institution, an Employer Owned by the Institution, or an Employer who Shares Ownership with the Institution	Total Graduates Employed in the field
2025	0	0
2024	0	0

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

License Examination Passage Rates (includes data for the two calendar years prior to reporting)

Calendar Year	Number of Graduates in Calendar Year	Number of Graduates Taking Exam	Number Who Passed First Available Exam	Number Who Failed First Available Exam	Passage Rate
2025	N/A	N/A	N/A	N/A	N/A
2024	N/A	N/A	N/A	N/A	N/A

Licensure examination passage data is not available from the state agency administering the examination. We are unable to collect data from 0.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Salary and Wage Information (includes data for the two calendar years prior to reporting)

Annual salary and wages reported for graduates employed in the field.

Calendar Year	Graduates Available for Employment	Graduates Employed in the Field	Over $100,000	No Salary Information Reported
2025	2	2	2	0
2024	1	0	0	1

A list of sources used to substantiate salary disclosures is available from the institution. Please reach out to your local campus staff for additional information.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Cost of Educational Program

Total charges for the program for students completing on-time in 2025: $27,060.
Total charges may be higher if the program is not completed on-time.

Total charges for the program for students completing on-time in 2024: $26,040.
Total charges may be higher if the program is not completed on-time.

Student's Initials: _____ Date: _____

Federal Student Loan Debt at Embry-Riddle Aeronautical University

Calendar Year(s)	Most recent three-year cohort default rate, as reported by the United States Department of Education.	The percentage of enrolled students receiving in 2025 / 2024 federal student loans to pay for this program.	The average amount of federal student loan debt of 2025 / 2024 graduates who took out federal student loans at this institution.	The percentage of graduates 2025 / 2024 in who took out federal student loans to pay for this program.
2025	0%	8.86%	$26,009.63	7.14%
2024		10.81%	$29,239.22	0.00%

*The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

School Official	Date

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months' period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.

STUDENT'S RIGHT TO CANCEL

A student who withdraws from a course either before the term begins or within the add/drop period once the term begins will receive a refund of all money paid to the university, less the $50.00 application fee. If a student withdraws from a course after the add/drop period had ended, the institution shall provide a pro rata refund of nonfederal student financial aid program moneys paid for institutional charges to students who have completed 60 percent or less of the period of attendance. If a student wishes to withdraw from a course they need to contact their academic advisor in writing to initiate this process.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later.

DISTANCE EDUCATION CANCELLATION POLICY

For distance education students, cancellation is effective on the date written notice of the cancellation is sent. The Institution shall make the refund pursuant to section 71750. If the Institution sent the first lesson and materials before an effective cancellation notice was received, the Institution shall make a refund within 45 days after the student's return of the materials.

A student shall have the right to cancel the agreement and receive a full refund pursuant to section 71750 before the first lesson and materials are received.
