Federal Student Loan Debt

Calendar Year	Most recent three year cohort default rate, as reported by the United State Department of Education.	The percentage of enrolled students receiving federal student loans to pay for this program.	The average amount of federal student loan debt of graduates who took out federal student loans at this institution.	The percentage of graduates who took out federal student loans to pay for this program.
2025	0%	32%	$101,210	40%
2024	0%	54%	$0	N/A

The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Student's Initials:_____Date: _____
Initial only after you have had sufficient time to read and understand the information.

This fact sheet is filed with the Bureau for Private Postsecondary Education. Regardless of any information you may have relating to completion rates, placement rates, starting salaries, or license exam passage rates, this fact sheet contains the information as calculated pursuant to state law. Any questions a student may have regarding this fact sheet that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd, Suite 225, Sacramento, CA 95834, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

Definitions

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel this enrollment agreement and to obtain a refund of charges paid through the fourteenth (14th) calendar day of the trimester. The institution's policy stipulates that the refund shall be 100% if the student submits a completed ADD/DROP or Withdraw Request form which is received by the University Registrar on or within the **first 14 days of the trimester**. Cancelation will be effective based on the last day of class attended, if any. After the fourteenth day of the trimester, the refund is prorated as per the **"TUITION REFUND POLICY"** section of the MAcCHM /DAcCHM and DAOM Program Academic Catalog and Student Handbook. After completing 75 percent or more of the course, the student will receive no refund. When a drop results in a status of less than half time and the student is a Federal Student Loan recipient, the tuition refund will be returned to lender. When the student is a Federal Student Loan recipient and fully withdraws from school or takes a leave of absence, the tuition refund is calculated in accordance with the United States Department of Education regulations and returned to the lender. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

SCHOOL PERFORMANCE FACT SHEET
CALENDAR YEARS 2025 & 2026

Doctor of Acupuncture and Chinese Herbal Medicine (DAcCHM)
Program Length: 4 years

This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution but is not equivalent to actual performance data. This program began on **5/13/2025**.
As of **05/13/2027**, two full years of data for this program will be available.

- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.
- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

The student has the right to cancel this enrollment agreement and to obtain a refund of charges paid through the fourteenth (14th) calendar day of the trimester. The institution's policy stipulates that the refund shall be 100% if the student submits a completed ADD/DROP or Withdraw Request form which is received by the University Registrar on or within the **first 14 days of the trimester**. Cancelation will be effective based on the last day of class attended, if any. After the fourteenth day of the trimester, the refund is prorated as per the **"TUITION REFUND POLICY"** section of the MAcCHM /DAcCHM and DAOM Program Academic Catalog and Student Handbook. After completing 75 percent or more of the course, the student will receive no refund. When a drop results in a status of less than half time and the student is a Federal Student Loan recipient, the tuition refund will be returned to lender. When the student is a Federal Student Loan recipient and fully withdraws from school or takes a leave of absence, the tuition refund is calculated in accordance with the United States Department of Education regulations and returned to the lender. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.
